Old Kent Road

App No	Organisation	Project Title	Project Description	Amount Requested [£]
1092	Big Local Works	Here For Work	Here for Work (Employability and Resilience training and job search support program) ensures residents are supported with their search for work from start to finish. Each training session focus on a particular key employability skill. Participants will be assigned a mentor who will work with them to develop a personal job search plan.	£3,670.00
1110	Caroline Gardens TRA	SUMMER PARTY	Many residents on our estate are elderly, isolated, disadvantage and vulnerable. The aim is to get residents out of their houses to socialise with each other and to have a good time. Living alone without the benefit of regular social interaction carries with it isolation and with that comes increased alienation and a decline in overall well-being. The environment is warm, friendly and inviting so you do not feel left out. The Summer Party will help to bring residents together to enjoy themselves and have a wonderful time.	£1,700.00
1143	Excel	Peer Training / Personal development	Excel's Objective and Aim is to Empower Choice - Empowering our clients to make informed choices Designed to build and boost self-confidence and self-awareness in participants. Remove Inequality of Opportunity by offering Training, Coaching, Personal Development and Mentoring Services and Support. We aim to deliver a 12-week programme and offer support to help individuals to identify their own positive attributes and strengths and learn new skills and then to be able to further develop these skills and their confidence as peer facilitators and to support others in the community. Develop the skills and training to be able to support others in the community and become Peer Facilitators/ Leaders.	£5,180.00
1197	F.A.T. Studio C.I.C.	Community Platform at Old Kent Road Arts Club	The Old Kent Road (OKR) Arts Club aims to support communities on Old Kent Road through a programme of free regular clubs, special events and creative opportunities. 'Community Platform' is a monthly opportunity for anybody living or working on Old Kent Road to suggest a community-focussed event to lead at the OKR Arts Club. So far this year we have empowered 8 local people to run their own events; together we've programmed an Old Kent Road inspired photography workshop, a public sculpture workshop, a bring-your-old-tshirts screen printing sessions, a mural project, a film premier and a comics day for young people. Event leaders receive help with their event from start to finish; they can use our kit to make supporting materials. We put our current funding towards paying event leaders for the time.	£4,980.00

876	John Keats Primary School	JKPS Well-Being Days	Our aim is to help our pupils return to normality and process any trauma/anxieties they have suffered during the pandemic. We plan to offer Well-being Days within the school calendar for both staff and pupils. The activities will be planned centrally and some will be run by external providers. The well-being days will have a central theme, such as farm life, stories, the Olympics, Christmas and international days. The well-being days will generally be run on-site and children will be involved in their planning. At the end of the year, the well-being day will be beach themed with (coronavirus restrictions permitting) a trip to a real beach.	£5,308.00
1080	Link Age Southwark	Gentle Exercise	We are seeking funds to support the continued delivery of our gentle exercise group at Harry Lamborn House. The exercise tutor who delivers this group has specialist training in how to work with older people and with people who have multiple health needs including those with a diagnosis of dementia. During the period of restrictions where the tutor rang each member of the group on a weekly basis to encourage them to continue exercising at home. We are now planning for this group to start back up as an in-person offer from the 20th October. One of the main strengths of our group offer is the peer support element that the group provides. The group allows them to interact with their peers, our volunteers as well as the tutor.	£3,170.00
1041	Maintaining Health Partners Ltd	A TOUCH OF HEALTH	We will provide an introduction to sessions that enable people to keep well and take part in health enhancing services in the community. We have been offering alternative therapies in the wider mental health community and at the Maudsley hospital for over 20 years. Since the easing of restrictions people wish to receive one to one therapies again. Our therapies include: massage, reflexology, Indian head massage, craniosacral therapy and others. People are responding positively to our pilot project 'Recovery and Resilience' (7 weekly massage sessions in the Glengall Garden Yurt). This enable people to improve their well-being and release the build-up of tension and stress.	£4,958.00
1107	Spring Community Hub(Formerly Known as Central Southwark Community Hub)	Holiday Club	Spring Community Hubs objective is to support those who are experiencing financial challenges, causing Food Insecurity, Activities such as providing Food Parcels. The Club provides nutritious food, play and learning opportunities and further social benefits. Our aim is to alleviate holiday hunger, give Families the opportunity to the participant and engage with their children through arts and crafts, dance to promote well-being, reduce the loss of learning. It also helps to develop confidence in our volunteers, some of whom are Central Southwark Community Hub adult clients and therefore improving the efficiency of the Hub.	£5,175.00

1144	The Ernest Foundation	Empowering the Community	<p>Our work area covers the 3 goals and scope of the grant programme.</p> <p>1. support engagement with the community to empower people with HIV and those wanting to prevent HIV to get the most from their care. We will organise seminars and workshop on HIV education. We do this in partnership with professional health experts.</p> <p>2. drive improvements in the quality of HIV and HIV prevention responses from the NHS, working towards innovative, yet sustainable, solutions. We will work in collaboration with the NHS on its White Paper on HIV prevention. 3. advocate for national policy that reflects the wishes of people both living with and wanting to help prevent HIV. We will be in partnership with NAM (aidsmap). We will be contributing and developing national policies on stigmatisation against people living and affected by HIV. Our project is to work with the African Caribbean community with HIV in Lambeth, Southwark, Lewisham specifically, our work however is pan-London.</p>	£4,680.00
