893	John Donne Primary School	Poetry Mental Health Programme	Our aim is to help pupils return to normality and process any trauma/anxieties they have suffered during the pandemic. We currently offer P is for Poetry programme to our key stage 2 children, encouraging them to engage with words and express ideas confidently. Theatre-maker Naomi Cortes use both classic and contemporary poems from around the world as the framework for workshops, encouraging pupils to speak clearly, convey ideas and develop vocabulary, while gaining confidence with reading/sharing aloud. The programme culminates with an end-of-term poetry assembly, enabling participants to recite/perform their class poems. We hope to introduce the programme to KS1 children too, in order to offer a much-needed whole-school mental health intervention at this unprecedented time.	£7,800.00

1062	LITTLE PEOPLE'S WORLD		<p>This project provides opportunities for parents and young people to volunteer and support the Easter and summer holiday programme and provides local mini trips and outings to support the indoor activities for families and young children which is accompanied by a healthy meal. This will be for 1 week in the Easter and 3 weeks in the summer, with a total of 4 trips.</p> <p>Family learning focused activities include music, arts and crafts, healthy cooking, walks, and story-telling. Outings including Westminster treasure hunt Butlins, Kensington Palace, etc. This will support the families values and integration development, particularly for migrant families and those who have no recourse to public funds. The aim is to provide around 80 families the opportunity to go to events. The volunteer opportunities will support the skill development in terms of works, experience and community support and to improve volunteers' confidence. 1192	Plastic Free Peckham	Plastic Free Peckham	<p>Plastic Free Peckham is part of the Surfers Against Sewage 'Plastic Free Communities' initiative and plans to continue work with local residents, small business owners and schools to reduce plastic pollution in Peckham. We will deliver regular community clean ups, promoting respect and consideration, engaging the public and affecting real change. This will create civic pride and boost behaviour change in local communities. These enable local volunteers to improve their local area, spend positive time in local green spaces and urban areas and encourage people to spend time outside and increase their sense of civic duty and community spirit. We propose to educate local business owners about the impact of plastic pollution on local spaces and more globally, and help them to make more informed choices and provide increased plastic free options for local people. We plan to deliver assemblies in schools to raise awareness of these issues and drive behaviour change in young people, helping them to feel pride in local spaces and engage with their local community.</p>	£5,000.00

1111	Link Age Southwark - Seated Dance	Seated Dance	We have recently established a weekly seated dance group at St Mary's Church in the Nunhead and Queen's Road Ward. We were previously running this group online. St Mary's Church had approached us about using their space for free. Our tutor, who is trained in dance for people with brain injuries and mobility and health issues, puts the group through its paces with gentle exercises involving creative movements using balloons, balls and other props. Seated dance is a group that we have run for a number of years and we were pleased to be able to offer this online during the period of restrictions and worked very closely with the tutor and our service users to ensure as many people could access this as possible.	£3,650.00
1216	The Ivy Club	The Ivy Club	The project is trying to achieve 2 main lines of outcomes for elderly (over 55 residents) of Nunhead & Lane Wards. Firstly, a programme of wellbeing activities concentrating on mobility issues, strengthening exercises and fall prevention. Regular offer of exercising activities make people better at managing their long term health. Secondly, a wide range of social interaction opportunities and related activities encouraging people to get out and about and meet regularly. We have introduced meditation via Zoom. The residents benefit from increasing their physical fitness and long term illness management, reduced isolation, increased confidence and increased opportunities for various interactions. Increased access to art, art activities, music, celebration and films. Over the years that the ivy Club has been in operation, long term friendships have been formed.	£4,970.00
1112	Westminster House Youth Club	Nunhead neighbours	The project seeks to make young people aware of others (older people/ people with disabilities) in the community and help them to come together to work on fun but purposeful projects. We have previously received funds to bring older and younger people in the community together and also to equip young people with skills to make them responsible citizens. There is a mistrust between the generations which we have started to address and we want to build on the positive relationships that have started to emerge between the club members and older people by continuing our lunch events. We want to continue to deliver wheelchair sports. Contact with older residents has enhanced young people understanding of disability as many are wheelchair users and or have alzheimers, etc. We want to continue to raise awareness of disability issues for our young people, continue Dementia Friends training for our young people and start some planting at the Club - possibly sunflowers and tomatoes to start with and young people can work with older people on this project. We also want to fund some diversionary reward work in the summer for participants.	£5,000.00
