Report title:		Member Allowances Scheme 2022-2023	
Ward(s) or groups affected:		All	
From:		Constitutional Steering Panel	

RECOMMENDATIONS

1. That council assembly approve the member allowances scheme for 2022-2023 with effect from 1 April 2022, having regard to the advice of the London Councils Independent Remuneration Panel Report 2022 (see Appendix 1).

BACKGROUND INFORMATION

Legal background

2. Under Section 18 of the Local Government and Housing Act 1989, the Secretary of State may make regulations authorising or requiring councils to make a scheme providing for the payment of allowances to members.
3. The council is required under the Local Authorities (Members' Allowances) (England) Regulations 2003 (as amended) to agree on an annual basis a schedule of Allowances payable to members for the following financial year. Under the regulations, when making or amending a scheme, the council is required to have regard to the recommendations of an Independent Remuneration Panel (section 19 of the Regulations).
4. The council is required, if it wishes to pay such allowances, to adopt a Member Allowances Scheme on an annual basis with effect from 1 April each year.
5. The council must publish its scheme of members' allowances, dealing with basic allowances and special responsibility allowances. Payments to members of the council may only be made in accordance with this.

Current scheme and process for review

6. Southwark's member allowances scheme (see Appendix 2) is comprehensive and includes basic allowances, special responsibility allowances (for posts which carry specific responsibilities) and other allowances and expenses that may be claimed.
7. The proposed member allowances scheme for 2022-2023 is based on the current scheme, which was adopted by council assembly on 24 March 2021 for 2021-2022. The council agreed its scheme, having considered the recommendations of the constitutional steering panel and having taken into account the London Councils Independent Remuneration Panel's 2022 report.

8. The proposed Member Allowances Scheme for 2022-2023 does not change the allowance rates previously agreed. This includes the following:
- On 12 July 2017, council assembly agreed a revision to the Member Allowances Scheme with regard to arrangements for payment and leave made during periods of absence for members in receipt of special responsibility allowances.
 - On 16 March 2016, council assembly agreed an addition to the Member Allowances Scheme to include payment to cabinet members for loss of office. This was amended in March 2019 to capture the spirit and intent of the provisions.
 - On 21 January 2015, council assembly agreed the following:
 - i) That the basic allowance and special responsibility allowances be increased in accordance with the Independent Remuneration Panel recommendation for allowances to be adjusted in line with the local government officer pay settlement and that the licensing sub-committee payment and co-opted member's allowance be increased on the same basis.
 - ii) That the member allowances scheme be amended so in future years the level of the childcare and dependent carers allowances for councillors is automatically reviewed in line with changes in the London Living Wage.
9. The constitutional steering panel and council assembly are under a statutory duty to have regard to the advice of the London Councils Independent Remuneration Panel Report when considering the council's own scheme for member allowances.
10. In Southwark, the constitutional steering panel considers and recommends any changes to the member allowances scheme to council assembly for final adoption. The approval of the scheme and the setting of allowances are matters reserved for decision by council assembly.

KEY ISSUES FOR CONSIDERATION

London Councils Independent Remuneration Panel Report 2022

11. The Local Authorities (Members' Allowances) (England) Regulations 2003 ('the Regulations') authorise the establishment by the Association of London Government (now London Councils) of an independent remuneration panel to make recommendations in respect of the members' allowances payable by London boroughs. Such a panel ('the panel') was established and reported in 2001, 2003, 2006, 2010, 2014, 2018 and 2022. The regulations require a review of the scheme every four years as a minimum. The 2022 report is the current review. A full copy of the report is set out in Appendix 1.

Basic and special responsibility allowances

12. The principle of pegging the basic allowance and special responsibility allowances (SRA) in line with the annual local government pay settlement is already recognised in the council's Member Allowances Scheme following the council assembly decision of 21 January 2015. The Licensing Sub-Committee meeting payments and co-opted member allowance will be increased on the same basis.
13. The member allowances scheme, paragraph 36, provides that allowances will be adjusted in line with the national local government officer pay settlement and allowances for officers¹. This includes basic allowance, SRA levels, licensing payments and co-opted member allowances
14. The outcome of the 2021-22 local government pay settlement is for a 1.75% increase for most staff payable from 1 April 2021 to 31 March 2022, which has just been announced. In accordance with Southwark's member allowance scheme, allowances will be increased in line with the agreed outcome (back dated from 1 April 2021).
15. The 2022-23 local government pay settlement has not yet been negotiated. In accordance with Southwark's member allowance scheme, allowances will be increased in line with any agreed outcome.
16. The scheme has been drafted on the basis that the council still wishes to pay the current basic and special responsibility allowances.

Proposed changes to current scheme

17. It is proposed that the only changes to the current scheme be those agreed in line with the local government pay settlement 2021-22 and 2022-23, if any. Any changes will be backdated to April 2022 if agreement is achieved after this date.

Policy framework implications

18. This report is not considered to have direct policy implications.

Community, equalities (including socio-economic) and health impacts

19. No significant changes are currently proposed to the member allowances scheme. SRAs are paid to compensate members for their special responsibilities in addition to their role as ward councillors (for which a separate basic allowance is payable). SRAs are not deemed as salary, as members are not employees of the Council. This report is not considered to have direct community, equalities (including socio-economic) and health impacts.

Climate change implications

¹ Index linking is to the general settlement rather than any special provision for particular groups of staff such as the low paid.

20. There are no immediate climate change implications arising from this report.

Legal implications

21. The council is under a duty to adopt a scheme of members' allowances by virtue of section 18 of the Local Government and Housing Act 1989 and relevant regulations. It may only pay allowances in accordance with such a scheme. Members are reminded of the need to have regard to the guidance issued in relation to members' allowance, which is referred to in the report of the London Councils Remuneration Panel attached (Appendix 1).

22. There is a general rule that members may not usually vote on matters in which they have a disclosable pecuniary interest. However, decisions relating to the member allowances scheme are an exception to this general principle, and members may vote on this issue. The monitoring officer has granted a dispensation.

Financial implications

23. The member expenditure budget makes provision for the basic allowance and special responsibility allowances. There is no proposed increase in allowances.

Consultation

24. Consultation is undertaken with the Group whips.
