15. Entitlement to work/immigration status for individual applicants and applications

from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A current Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A current passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.

- A current Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A current passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A current Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A current Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A current Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, less than 6 months old, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a

European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.

- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:
 - o evidence of the applicant's own identity – such as a passport,

 - o evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and

 - o evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:

 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,

 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or

 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder's personal details including nationality;

- (ii) any page containing the holder's photograph;

- (iii) any page containing the holder's signature;

(iv) any page containing the date of expiry; and

(v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Definition

The Dispersal Policy is to assist in addressing matters of concern, if any arise, in order to minimise any impact on residents or businesses in the vicinity. The objective of the Policy is to ensure a quiet, controlled and swift dispersal of customers from the Premises.

- The Dispersal Procedure is dedicated to exercising pro-active measures for the dispersal of customers, towards and at the end of trading.
- The premises licence holder intends to move customers from the premises and its immediate area in such a way as to cause minimum disturbance or nuisance to neighbours, both residential and business.
- The Policy promotes a professional and responsible management of customers as they leave to ensure they make their journey home without any adverse impact on local residents. It addresses nuisance caused to local residents from the following risks:
 1. Noisy or anti-social behaviour by customers leaving the Premises
 2. Large numbers of people leaving the Premises at the same time.
 3. The Policy also helps to ensure patrons make their journey home safely and do not become victims of crime.

Location

The Premises are located in arches in Eagle Yard, (Maldonado Walk) off Hampton Street and by Wollaston Close. Access to the premises will be via these streets and from these areas patrons can disperse directly to nearby transport links.

When leaving the Premises customers will be reminded by signage and staff as appropriate to respect the local residents and local businesses and disperse quietly and quickly. Patrons are encouraged to use public transport and taxis should be directed to Hampton Street and that this information is included on all relevant publicity material.

Transport

Customers are anticipated to mainly arrive and depart by foot or bicycle, however other modes of transport are readily available.

With a mainline train station, tube station and links to bus routes, the Premises are situated in an excellent transport area. The Premises have excellent transport links very close by including night-tube, night buses, taxis, mini-cabs and Ubers.

Black cabs are readily available right through the day and night along Hampton Street and Walworth Road and surrounding roads. Customers will be encouraged to quickly and quietly flag and enter cabs to minimise any noise disruption.

For those customers not wishing to use the private car service, staff can provide directions to local taxi ranks. Other forms of app based taxis will be available to customers. It is anticipated that customers will wait inside the Premises until their taxi has arrived to ensure a quick and quiet exit.

The Premises is very well situated near Elephant & Castle station (0.2 miles) providing access to national rail, the Bakerloo Line and the Northern Line.

Patrons are encouraged to use public transport and taxis should be directed to Hampton Street and the same is included on all relevant publicity material.

Where necessary, customers will be given directions to nearby stations and will be reminded to reach the stations as quietly and as quickly, particularly late at night.

Copies of stations timetables will be available at the Premises whenever possible.

The immediate area surrounding the Premises is well serviced by public buses. TFL bus services, including night buses, are accessible by several bus stops

Where necessary, customers can be given directions to the bus stops and be reminded to consider the local residents and businesses when travelling to the bus stops and waiting for buses, particularly at night. Staff will be familiar with the local bus services and can advise customers accordingly.

Dispersal Procedure

1. Staff / managers will regularly monitor and patrol the outside area at all times the premises are open to ensure licence conditions are complied with and licensing objectives are fully promoted. Staff will endeavour to monitor the area to ensure any outside furniture, if used, does not cause an obstruction to members of the public passing by.
2. Patrons should be encouraged to use public transport and taxis should be directed to Hampton Street.
3. Staff and other managers will be trained to act effectively and responsibly to comply with the dispersal policy and made aware of the importance of customers leaving as safely as possible.
4. All staff in a managerial role must be trained to carry out dispersal tasks and to facilitate effective crowd dispersal at the end of any given evening.
5. There will be encouragement of gradual dispersal during the last period of trading and during the drinking-up period with staff reminding customers of the need to leave quietly and consider local residents when leaving the premises and the surrounding area.
6. Staff will be trained to ask customers to leave quietly and respect our neighbours.
7. Signage will be put in place to inform persons that they are required to leave the premises quietly and respect our neighbours and service will be refused to those who do not follow these instructions.
8. Persons who do not behave or adhere to the standards set out in this policy will be refused service in the future.
9. CCTV monitoring is in place outside the premises for the effective monitoring of customers. The Management will regularly review the CCTV images to ensure this procedure is being adhered to.

10. Appropriate lighting levels will be maintained outside the premises to ensure the CCTV is effective.
11. Taxi details will be provided by way of signage and verbal communication.
12. Persons leaving the Premises temporarily to smoke will be managed to ensure they do not obstruct the highway, nor cause a nuisance in the vicinity.
13. It is our policy to promote soft drinks rather than alcoholic drinks during the last period of trading with a view to ensuring customers do not 'bank' alcoholic drinks
14. In order to extend the period of dispersal, the premises will operate a soft closure policy (with appropriate lighting levels), that will enhance customer awareness of the approaching end of the function and create a calmer environment. This will allow customers to think and plan their journey home while they are still inside the premises. For the final 30 minutes of an evening the premises shall;
 - Gradually turn down lights
 - Reduced Music volume and eventually turn off (when music is played)
 - Encourage customers to leave the premises in a quiet and orderly manner
 - No open drinks containers taken outside the premises when leaving
 - Anyone found loitering near the building asked politely to move on as quickly and quietly as possible.
 - Calling of last orders to allow adequate drinking up time
 - Train staff to encourage customers to finish drinks and prepare to leave
 - Door supervisors/DPS/Manager on duty to remain on site until all customers have been cleared from the premises and dispersed from the surroundings.
 - Ensure all customers are safely and quietly on their way.
 - Ensure adequate signage by exit doors and behind bar
