**Re:- Chill Out Pool Arch, 148 Eagle Yard, London SE16SP**

Dear Sir/Madam

Police are in receipt of an application from the above for a Temporary Event Notice TEN 975351 for the 15<sup>th</sup> May 2022 between 00:01hrs and 04:30hrs.

The Police object to the granting of this Notice on the grounds that it undermines the prevention of crime and disorder & public nuisance licensing objectives. The grounds for the objection are as follows.

This premises currently holds a premises licence, and has recently submitted a TEN for the 17<sup>th</sup> & 18<sup>th</sup> April 2022. Following this event we have received a number of complaints stating

“People leaving establishment beyond 4am and drunk and disorderly and creating anti-social behaviour in area. We were subjected to hours of anti-social behaviour by drunken jobs. Shouting, arguing, urinating behind church while security men did nothing.”

“It’s really getting serious here now with continued anti-social behaviour most weekends as a result of non-existent dispersal policies. They are not worth the paper they are written on.

We would also request that the Police ( as we as residents cannot ) oppose any further requests from this establishment or any other in Maldonado walk to have temporary licence until outrageous times until 4:30am. Especially as they do not disperse customers who then make our lives a misery by fighting, arguing, urinating and general social disorder outside our homes. This has got to stop.”

Eagle Yard off of Hampton Street has a number of bars and restaurants concentrated into a very small area. It is the subject of an ongoing Police operation to deal with anti-social behaviour and public nuisance caused by patrons from these premises and the noise issues relating to patrons leaving the venues. This small residential and commercial area is suffering from the cumulative impact of licensed premises concentrated into such a small area. This is a drinking establishment with food and some pool tables available for patrons. Any later operating hours is therefore likely to have a negative impact on the licensing objectives. The premises

already benefits from a licence with hours greater than those recommended by Southwark's statement of licensing policy. The residents in the immediate vicinity of this premises have been suffering from noise and anti-social behaviour associated with the premises is Eagle Yard.

The local dedicated ward officer has had to spend a considerable amount of time and resources to this area due to the problems minimizing the time able to be spent in other areas.

For the above reasons Police object to this temporary event notice, to allow the event to proceed is likely to undermine the prevention of crime and disorder and public nuisance licensing objectives.

Yours Sincerely
