Subject: RE: New Premises 23-25 Pages Walk

Dear Southwark Licensing Team,

This is to inform you that I am opposing to this application.

REASONS:

1/ The hours are too excessive:

08:00-00:00 Mon-Sun Opening hours 08:00-00:00 Mon-Sun

2/ This application would cause, noises and nuisances, anti-social behaviour in the area. It would also cause harm to the mental health of our residents.

3/ The children will suffer the most from noise and surely from sleep deprivation. We should not keep prioritising profit maximisation over the wellbeing of our local residents.

4/ If a such application was granted by the Licencing Committee, the emotional damages that would be caused to the local residents would be unevaluable.

Best Wishes

William
