Subject: RE: New premises application - Eden Café and Restaurant, 342B Camberwell New Road

Dear Licencing Team,

Thank you for forwarding this application. Is application non-compliant with the council's local cumulative impact policy? The application for an alcohol (on the premises) licence Mon to Thurs 18:00 - 02:00 and Fri to Sun:18:00 - 04:00 looks like it would add to the potential negative impacts the Camberwell Cumulative Impact Areas policy is intended to avoid. If so people could you confirm that the automatic presumption that such applications will be refused will apply in this case.

Thank you

Cllr Kieron Williams

Leader of Southwark Council

Labour & Co-operative Councillor for Camberwell Green
