

Item No.	Classification: Open	Date: 30 May 2022	Decision Taker: Councillor Evelyn Akoto Cabinet Member for Health and Wellbeing
Report title:		Client contributions debt write-off (£5k to £50k)	
Ward(s) or groups affected:		N/A	
From:		Pauline O'Hare, Director for Adult Social Care	

RECOMMENDATIONS

1. That the Cabinet Member for Health and Wellbeing authorise the write-off of £68,547.75 of debt as set out in Appendix 1 of the report.
2. That the Cabinet Member for Health and Wellbeing advise on any further action they require on any write-offs not agreed within this report.

BACKGROUND INFORMATION

3. Under Southwark Council's constitution, write-off of debts of between £5,000 and £50,000 are delegated to individual Cabinet members within their own portfolio areas. Debt write-offs under £5,000 can be authorised by chief officers. Write-off of any debt of £50,000 or over must be referred to Cabinet for authorisation.
4. There are a number of key reasons why the Council may wish to write-off a debt. These include:
 - The debt is uneconomic to collect i.e. the cost of collection, including substantiation is greater than the value of the debt.
 - The debt is time barred, where the statute of limitation applies. Generally, this means that if a period of six years has elapsed since the debt was last demanded the debt cannot be enforced by legal action.
 - There has been a negotiated settlement as part of a complaint or dispute resolution, which leaves a residual amount to be written off.
 - The debtor cannot be found or communicated with despite all reasonable attempts to trace the debtor.

- The debtor is deceased and there is no likely settlement from the estate.
- Insolvency: where the organisation or person has gone into bankruptcy and there are no assets to claim against and no likelihood of settlement.
- The debt should not have been raised, was based on erroneous information or cannot be substantiated, and subsequent enquiries have confirmed this.

KEY ISSUES FOR CONSIDERATION

5. The total debt to be written off is £68,547.75. The debt is deemed unrecoverable as it relates to clients now deceased without estate and where the debt is time barred.
6. The Adult Social Care Division holds a debt-write off reserve fund which is used to manage the financial impact of irrecoverable debts.
7. The outstanding debt situation will be monitored frequently and reviewed on a monthly basis. A write off report summarising debt that has been deemed unrecoverable will be produced at a frequency of no less than bi-annually, in line with good practice.

Policy framework implications

8. These write-offs have been considered in accordance with the Council's Constitution and Corporate Write-off Policy.

SUPPLEMENTARY ADVICE FROM OTHER OFFICERS

Director of Law and Governance

17. This report recommends that the debts as set out in Appendix 1, be written off in accordance with the council's procedure on debt write-off. Each debt is above £5,000 but below £50,000.
18. The report has set out circumstances whereby debts can lawfully be written off by the council and these include circumstances such as where a debtor has gone bankrupt, the debt is time barred, where the debtor is deceased or gone away. In such circumstances to pursue the debt would be a very difficult and costly exercise with little or no chance of success.

19. The debts set out in Appendix 1 relate to 2 deceased accounts where there is no estate and little chance of success of recovery and 2 account where the debt is time barred.
20. The Director of Law and Democracy considers the proposed write-offs to be in accordance with the council's procedures and law. Approving write-off of debts between £5,000 and £50,000 is reserved, under the council's constitution to Cabinet members where it is within their areas.
