

NOTIFICATION OF KEY DECISION TO BE TAKEN

GENERAL EXCEPTION NOTICE

DETAILS OF DECISION	
Title of Report	Tustin Estate Low Rise Redevelopment Programme (Phase 1) Enabling Works and Demolition
Description/Nature of matter requiring Key Decision	Approve budget for enabling works and demolition for Phase 1 of the Tustin Estate Low Rise Redevelopment Programme
Decision taker	Cabinet
Date by which Key Decision must be taken	July 2022
Reason why it was impracticable for decision to be on the Forward Plan	The finance and legal advice received on governance process needed to present a separate report to July cabinet for approval of the funding was established this week and therefore missed the forward plan update in July 2022.
Reason why the decision cannot wait for inclusion in the next Forward Plan	The next forward plan to be published will be the August 2022 plan. The decision cannot wait until the next cabinet meeting in September as the enabling works and demolition contract is needed to meet the target start on site date for GLA grant funding in September 2022
