

NOTIFICATION OF KEY DECISION TO BE TAKEN

GENERAL EXCEPTION NOTICE

| DETAILS OF DECISION | |
|---|--|
| Title of Report | Minor Traffic Scheme 2022/23 Batch 1 |
| Description/Nature of matter requiring Key Decision | Approve implementation of minor traffic schemes subject to statutory consultation |
| Decision taker | Cabinet Member for Parks, Streets and Clean Air |
| Date by which Key Decision must be taken | July 2022 |
| Reason why it was impracticable for decision to be on the Forward Plan | This is a Key decision listed on the Forward Plan for a June 2022 decision. However, due to an administrative oversight, the report and appendices were not submitted in time to achieve the June decision deadline. |
| Reason why the decision cannot wait for inclusion in the next Forward Plan | The next Forward Plan to be published will be the September 2022 Forward Plan. The decision cannot wait until then, as that would significantly delay the construction of the proposed works, which will potentially damage the reputation of the council. |
