

Non-strategic Traffic and Highway improvement

Appendix	8
Location	Forest Hill Road
Proposal	Propose loading only bay
Ward(s) affected	Dulwich Hill

Non-strategic Traffic and Highway improvement

A non-strategic traffic and highway improvement is a small project where the council proposes to modify the existing Highway layout. This may include changes to waiting and loading restrictions, traffic calming, improved crossing facilities etc.

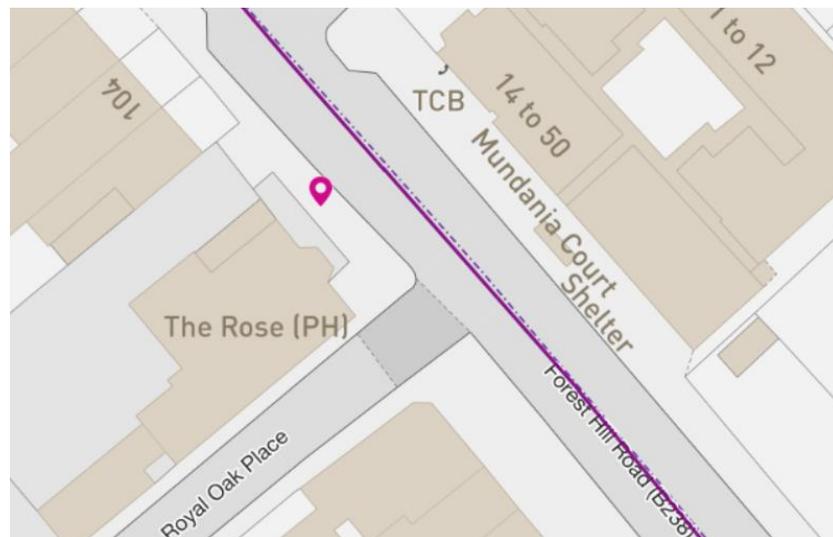

Under Part 3D of the council's constitution, the Cabinet Member is responsible for Transport Issues: To decide to implement a traffic and highway improvement project, subject to statutory consultation.

Background / Request

This came from a local business owner, informing Highways that there is nowhere to load/unload safely.

Location

- Forest Hill Road, Dulwich Hill
- Forest Hill Road is not in a controlled parking zone allowing free parking for all.
- There are currently zig zags and double yellow lines with blips outside the parade of shops.

Investigation and conclusions

- Officers attended site and noted that there was one space for free parking. However there was a vehicle parked here. This means no there was no were to load/unload safely.

Recommendation

It is recommended that 6m loading only bay is to be installed

This proposal is subject to Traffic Management Order (TMO) statutory consultation. A TMO is the legal mechanism the council as traffic authority uses to control aspects of the way that the highway is used. They provide the legal backing to signs and road markings used on the highway and allow them to be enforceable.

A detailed design drawing of the proposal is provided within this document.

Next steps

Should this non-strategic Traffic and Highway improvement proposal be approved, then arrangement will be made to carryout statutory consultation.

Following the statutory consultation period, the council will make arrangements to install the restrictions (road marking and signage).

Should objections be received during the statutory consultation period, these will be presented to the Cabinet Member for determination.
