

# Non-strategic Traffic and Highway improvement

Appendix	15
Location	Turney Road
Proposal	Install double yellow lines
Ward(s) affected	Dulwich Village

## Non-strategic Traffic and Highway improvement

A non-strategic traffic and highway improvement is a small project where the council proposes to modify the existing Highway layout. This may include changes to waiting and loading restrictions, traffic calming, improved crossing facilities etc.

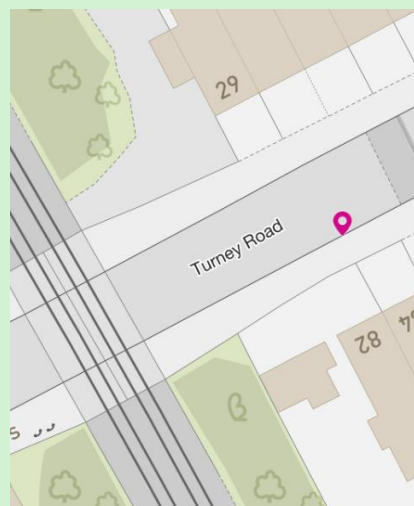

Under Part 3D of the council's constitution, the Cabinet Member is responsible for Transport Issues: To decide to implement a traffic and highway improvement project, subject to statutory consultation.

## Background / Request

This request came from a Cllr and Highways officer, stating that visibility is extremely poor for pedestrians crossing.

## Location

- Turney Road, Dulwich Village
- Turney Road is not in a controlled parking zone, allowing free parking for all
- There are currently no restrictions.

### Investigation and conclusions

- Officers visited site and noted that if a vehicle is parking next to the crossover and in-between the build out, this restricts pedestrians from crossing and this becomes un safe.

### Recommendation

It is recommended to install 5m double yellow lines for obstructive parking

This proposal is subject to Traffic Management Order (TMO) statutory consultation. A TMO is the legal mechanism the council as traffic authority uses to control aspects of the way that the highway is used. They provide the legal backing to signs and road markings used on the highway and allow them to be enforceable.

A detailed design drawing of the proposal is provided within this document.

### Next steps

Should this non-strategic Traffic and Highway improvement proposal be approved, then arrangement will be made to carryout statutory consultation.

Following the statutory consultation period, the council will make arrangements to install the restrictions (road marking and signage).

Should objections be received during the statutory consultation period, these will be presented to the Cabinet Member for determination.
