

Non-strategic Traffic and Highway improvement

Appendix	17
Location	Lettsom Street
Proposal	Relocate motorcycle bay
Ward(s) affected	St Giles

Non-strategic Traffic and Highway improvement

A non-strategic traffic and highway improvement is a small project where the council proposes to modify the existing Highway layout. This may include changes to waiting and loading restrictions, traffic calming, improved crossing facilities etc.

Under Part 3D of the council's constitution, the Cabinet Member is responsible for Transport Issues: To decide to implement a traffic and highway improvement project, subject to statutory consultation.

Background / Request

- The existing motorcycle bay is currently on Camberwell Grove and its not getting used as its for the Lettsom Estate so we are going to relocate it in the estate.

Location

- Lettsom Street, St Giles
- Lettsom Street, is in Zone PR, CPZ (Controlled Parking Zone). Hours of operation is 8.30 – 18.30, Mon – Fri
- There is currently no restrictions.

Investigation and conclusions

- Officers visited site and noted that the best/suitable location for a mc bay with railings would be inside the Lettsom Estate so it would get used.

Recommendation

It is recommended to relocate the motorcycle bay to Lettsom Street and return the current bay back to permit holders only.

This proposal is subject to Traffic Management Order (TMO) statutory consultation. A TMO is the legal mechanism the council as traffic authority uses to control aspects of the way that the highway is used. They provide the legal backing to signs and road markings used on the highway and allow them to be enforceable.

A detailed design drawing of the proposal is provided within this document.

Next steps

Should this non-strategic Traffic and Highway improvement proposal be approved, then arrangement will be made to carryout statutory consultation.

Following the statutory consultation period, the council will make arrangements to install the restrictions (road marking and signage).

Should objections be received during the statutory consultation period, these will be presented to the Cabinet Member for determination.
