Dear Mr Compton

Mr Biagio Caroleo has studied the information sent through by your office today and is more than happy to implement all your proposals and would not object to them as being implemented as formal conditions on the premises licence of the above premises.

We understand that on this basis, you will not be making any formal objection to the proposed variation of the premises licence.

Dear Sir/Madam

Biagio 32 Southwark Bridge Road SE1 9EU

I write in respect of the above premises for which I wish to make the following representations/objections to the granting of a Variation to the Premises Licence under the Licensing Act 2003.

Regrettably the applicant has failed to adequately address the four main Licensing Objectives by offering control measures that would ensure that there would be no detrimental effect upon the local community and indicate that the management of the premises have given sufficient consideration to the licensing objectives. The applicant has applied for extended hours on each day of the week, but particularly on Friday and Saturday's nights but has not offered any additional control measures that would normally be placed on a premises licence that operates such extended hours.

Therefore I have attached a list of sample conditions for the applicant to consider and which Police would like to see placed on the varied premises licence.

1. That there shall be no movement of musical or amplification equipment from the premises between the hours of 12.00 midnight and 8.00 am.
2. That SIA registered Door Supervisors, at least one of whom shall be a female, shall be employed at all times after 22.00hrs and the terminal hour that the premises are in use under this licence and provided with Hand held metal detection units in order to ensure that searches are carried out in respect of all admissions to the premises, whether members of the public or performers and their assistants and Mechanical counting devices to ensure that the maximum accommodation limit of the premises is not exceeded.
3. That signs shall be displayed in the entrance foyer to the premises that state 'Drugs Free Zone' and 'No Search No Entry, Management reserve the right to refuse entry'

4. That all matters relating to drugs shall be in accordance with the Metropolitan Police Best Practice Guide on the handling of drugs in pubs and clubs
5. That suitable notices shall be displayed and announcements made requesting people to leave the premises in a quiet and orderly manner so as not to disturb local residents
6. That a CCTV system be installed at the premises and be maintained in good working order and be continually recording at all times the premises are in use under the licence. The CCTV System must be capable of capturing an image of every person who enters the premises.
7. That all CCTV footage shall be kept for a period of thirty one (31) days and shall, upon request, be made immediately available to Officers of the Police and the Council
8. That you shall require any regular and external promoters hiring the premises to complete the 'Venue Hire Agreement' provided by Southwark Council and, once completed, you shall ensure that a copy of the agreement is provided to the Police and Licensing Unit a minimum of fourteen days prior to the date of hire.
9. That a Personal Licence holder is on the premises and on duty at all times that intoxicating liquor is supplied.
10. That the Premises Licence holder and/or Designated Premises Supervisor join and support a local Pub Watch Scheme should there be one in existence for the area in which the premises is located.
11. There shall be no new entry or re-entry to the premises after 02.00am.
12. Customers shall use no outside area after 22.00hrs other than those who temporarily leave the premises to smoke a cigarette. Those who do temporarily leave for this reason shall be the subjected to the requirement of a further search.
13. Customers shall use no outside area after 22.00hrs other than those who temporarily leave the premises to smoke a cigarette. Those who do temporarily leave for this reason shall be the subjected to the requirement of a further search.

Police would welcome the opportunity of a conciliation meeting with all interested parties.

I respectfully submit this representation in order that it is given consideration by your Licensing Committee and would be obliged if you could acknowledge receipt.
