

**NOTICE OF ADJOURNMENT**

**LICENSING SUB-COMMITTEE – 2 AUGUST 2022**

**SECTION 51 LICENSING ACT 2003: SOUTHBANK NIGHTCLUB T/A/ LA ESTACION – 57-59 CAMBERWELL ROAD, LONDON, SE5 0EZ**

**1. Decision**

That the council's Licensing Sub-Committee adjourn this matter to be reconvened at 10:00 hours on 6 October 2022.

**2. Reasons**

1. The members of the Licensing Sub-Committee requested sight of any paperwork and/or acoustic expert's report in relation to the compliance of the premises licence number 848589 issued 28 May 2015 in connection with:
  - a. Condition 340 - That the applicant shall have an appropriate sound limiting device fitted to the basement.
  - b. Condition 341 - That the sound limiting device shall be maintained at the set level there-after.
  - c. Condition 342 - That all audio and musical equipment used in the premises shall be played through the installed sound limiting device.
  - d. Condition 343 - That any additional amplification equipment imported on to the premises by third parties shall be connected to and use the installed sound limited circuit
  - e. Condition 345 - That all speakers for the broadcast of sound within the premises shall be isolated from the structure of the premises by anti-vibration mountings or mats.
  - f. Condition 362 - Noise or vibration must not emanate from the premises so as to cause a nuisance to nearby properties.
  - g. Condition 368 - That should there be any change to the equipment involved in the broadcast or limiting of sound from licensed entertainment the sound limiter shall be re-set, in conjunction with a qualified sound engineer, to ensure that any music, speech or song from licensed entertainment is not audible in nearby residential premises nor will cause a public nuisance in the vicinity of the premises.
  - h. Condition 4AI - The sound limiting device/s shall be set to ensure that the maximum levels of volume and bass permitted by the system ensure any music, speech or song from licensed entertainment is not audible in nearby residential premises or causes a public nuisance in the vicinity of the premises.

2. The premises licence holder will liaise and cooperate with Southwark's Environmental Protection Team and Licensing Unit in respect of a compliance inspection in respect of the conditions listed in this Notice of Adjournment and/or assessment of the premises licence conditions by the acoustic expert.

### **3. Appeal Rights**

There is no right to Appeal this Notice of Adjournment.
