

NOTIFICATION OF KEY DECISION TO BE TAKEN

GENERAL EXCEPTION NOTICE

DETAILS OF DECISION	
Title of Report	Gateway 3 Variation Decision: Adult Integrated Drug and Alcohol Treatment System
Description/Nature of matter requiring Key Decision	Approval of a variation of the Adult Integrated Drug & Alcohol Treatment System contract to extend the contract for a further period of two years commencing on 1 April 2022 up to a maximum contract value of £11,750,137 inclusive of additional services and projects funded from the Public Health grant and UK government funding streams.
Decision taker	Strategic Director of Children's and Adults' Services
Date by which Key Decision must be taken	October 2022
Reason why it was impracticable for decision to be on the Forward Plan	The decision was anticipated for December 2022 Cabinet and was due to be added to the Forward Plan. However, an urgent arising issue identified in August 2022 has resulted in a need for the decision to be taken urgently on the earliest possible date.
Reason why the decision cannot wait for inclusion in the next Forward Plan	The next Forward Plan to be published will be the December 2022 Forward Plan. The imminent loss of one of two of the drug and alcohol treatment hubs in Southwark and the impact of the current contract end date on the provider's ability to secure new premises to meet residents' drug and alcohol support needs requires the decision to be taken this month.
