Cooks Road permanent road closure

*The London Borough of Southwark (Charged-for parking places) (Cooks Road) Order 202**

*The London Borough of Southwark (Prescribed routes) (Cooks Road) Traffic Order 202**

*The London Borough of Southwark (Waiting restrictions) (Cooks Road) Order 202**

1. Southwark Council hereby GIVES NOTICE that it proposes to make the above Orders under sections 6, 45, 46, 49 and 124 of and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984, as amended ('the 1984 Act').
 2. The effect of the Orders would be, on a permanent basis: -
 - (a) to provide a 'no motor vehicles' restriction in part of COOKS ROAD, between its junction with Fleming Road/Otto Street and a point 27 metres south-east of that junction, prohibiting the movement of motor vehicles, which includes certain exceptions and exemptions (listed below);
 - (b) to remove an existing 'permit' parking place 23 metres in length, within CPZ 'J' in COOKS ROAD south-west side (south-east of its junction with Otto Street); and
 - (c) to amend waiting restrictions (i) add an extended length of new 'at any time' waiting restrictions in COOKS ROAD south-west side to accommodate the above-mentioned parking changes, and (ii) convert existing timed waiting restrictions (single yellow lines) to 'at any time' (double yellow lines) in COOKS ROAD south-west side (at its junction with Otto Street) and on the south-east side of both FLEMING ROAD and in OTTO STREET either side of the junction with Cooks Road.
- NOTES: (1) These Orders would supersede similar provisions at the above locations implemented by way of experimental Orders made under section 9 of the 1984 Act (which would be revoked). (2) Exemption to the restrictions described in (a) preceding would be provided for emergency services vehicles and for vehicles used for road maintenance, refuse collection or cleansing purposes; exceptions are provided for postal service, taxis and (on a discretionary basis) disabled persons vehicles (registered to Southwark resident 'blue badge' holders), rapid response healthcare workers vehicles and SEND vehicles. (3) All measurements are in metres and are approximate.*
