

NOTIFICATION OF KEY DECISION TO BE TAKEN

GENERAL EXCEPTION NOTICE

| DETAILS OF DECISION | |
|---|---|
| Title of Report | Implementation of trials of bookable loading bays |
| Description/Nature of matter requiring Key Decision | Approve implementation of trials of bookable loading bays |
| Decision taker | Cabinet Member for Leisure, Parks, Streets and Clean Air |
| Date by which Key Decision must be taken | November 2022 |
| Reason why it was impracticable for decision to be on the Forward Plan | This is a Key decision that is currently on the Forward Plan for a decision in December 2022. However, it would be advantageous to implement the bays in late November to take account of the Christmas activities and facilitate loading to businesses in the very busy December period. |
| Reason why the decision cannot wait for inclusion in the next Forward Plan | A December 2022 decision will significantly delay the implementation of the bookable loading bays, which will detract from the effectiveness of the scheme in the busy December period. |
