

NOTIFICATION OF KEY DECISION TO BE TAKEN

GENERAL EXCEPTION NOTICE

DETAILS OF DECISION	
Title of Report	Gateway 2 - Contract Award Approval Building Material Supplies for Frensham Street Depot
Description/Nature of matter requiring Key Decision	Contract for the purchase of building material supplies for Southwark Repairs
Decision taker	Cabinet Member for Council Homes and Homelessness
Date by which Key Decision must be taken	December 2022
Reason why it was impracticable for decision to be on the Forward Plan	The decision was included in the November 2022 Forward Plan. However, there was a delay in obtaining the necessary concurrences and briefing the cabinet member for approval.
Reason why the decision cannot wait for inclusion in the next Forward Plan	The next Forward Plan to be published will be the February 2023 Forward Plan. The decision needs to be approved in December 2022 due to the current contract expiring back on 4 November 2022. However, that contract allowed for all outstanding purchases of materials to be delivered. This has now been completed and there is need to have material building supplies delivered under the new contract for the Christmas period and beyond.
