

Non-strategic Traffic and Highway improvement

Appendix	14
Location	Red Post Hill
Proposal	Convert 7m permit bay to double yellow lines for drop kerb
Ward(s) affected	Dulwich Village

Non-strategic Traffic and Highway improvement

A non-strategic traffic and highway improvement is a small project where the council proposes to modify the existing Highway layout. This may include changes to waiting and loading restrictions, traffic calming, improved crossing facilities etc.

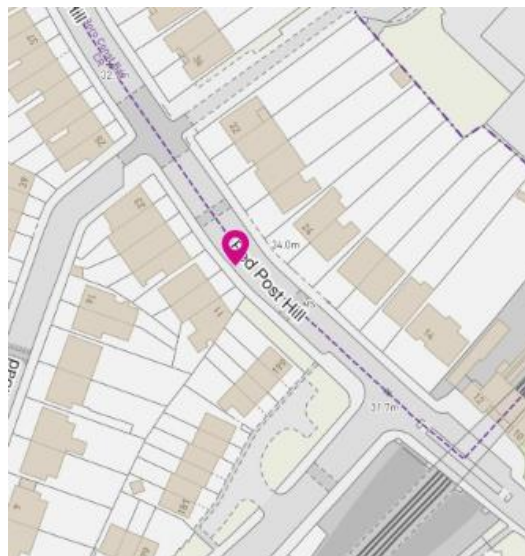

Under Part 3D of the council's constitution, the Cabinet Member is responsible for Transport Issues: To decide to implement a traffic and highway improvement project, subject to statutory consultation.

Background / Request

This request came from resident, informing Highways that the drop kerb has been put in but the parking bay is still outside their property.

Location

- Red Post Hill, Dulwich Village
- Red Post Hill is in a controlled parking zone P, operating, Mon-Fri, 12.00pm-.2.00pm
- There are currently permit holder only bays here.

Investigation and conclusions

- Officers visited site and noticed that the existing parking bay was blocking their drive and stopping them from using it.

Recommendation

It is recommended to convert 7m permit bay to double yellow lines

This proposal is subject to Traffic Management Order (TMO) statutory consultation. A TMO is the legal mechanism the council as traffic authority uses to control aspects of the way that the highway is used. They provide the legal backing to signs and road markings used on the highway and allow them to be enforceable.

A detailed design drawing of the proposal is provided within this document.

Next steps

Should this non-strategic Traffic and Highway improvement proposal be approved, then arrangement will be made to carryout statutory consultation.

Following the statutory consultation period, the council will make arrangements to install the restrictions (road marking and signage).

Should objections be received during the statutory consultation period, these will be presented to the Cabinet Member for determination.
