

# Non-strategic Traffic and Highway improvement

Appendix	20
Location	65 Grove Park
Proposal	Remove double yellow lines and replace with permit bays
Ward(s) affected	Champion Hill

## Non-strategic Traffic and Highway improvement

A non-strategic traffic and highway improvement is a small project where the council proposes to modify the existing Highway layout. This may include changes to waiting and loading restrictions, traffic calming, improved crossing facilities etc.

Under Part 3D of the council's constitution, the Cabinet Member is responsible for Transport Issues: To decide to implement a traffic and highway improvement project, subject to statutory consultation.

## Background / Request

This request came from a resident, informing Highways that they could no longer afford a crossover so the bays that got removed can be put back.

## Location

- Grove Park, Champion Hill
- Grove Park, is in a controlled parking zone Q. Operating Mon-Fri, 11am – 1pm
- There are currently double yellow lines

### Investigation and conclusions

- Officers visited site and noted that the permit bay can be installed again as they are no longer having a drop kerb

### Recommendation

It is recommended to remove 11m existing double yellow lines and put back the permit bays.

This proposal is subject to Traffic Management Order (TMO) statutory consultation. A TMO is the legal mechanism the council as traffic authority uses to control aspects of the way that the highway is used. They provide the legal backing to signs and road markings used on the highway and allow them to be enforceable.

A detailed design drawing of the proposal is provided within this document.

### Next steps

Should this non-strategic Traffic and Highway improvement proposal be approved, then arrangement will be made to carryout statutory consultation.

Following the statutory consultation period, the council will make arrangements to install the restrictions (road marking and signage).

Should objections be received during the statutory consultation period, these will be presented to the Cabinet Member for determination.
