If you have not ticked one of these boxes please fill in reasons for not including the licence, or part of it, below

Reasons why I have failed to enclose the premises licence or relevant part of premises licence

P Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 9)

The store currently has a licence and operates to a high standard with regard to the sale of alcohol, and will continue to do so for all the stated hours should this licence be granted. The store is looking to increase the hours of trade for alcohol and all procedures will apply during the increased hours. All staff will be fully trained in their responsibilities with regard to the sale of alcohol, and will be retrained every six months.

b) The prevention of crime and disorder

An extensive CCTV system will be in operation to provide security and identify any culprit who is intent in causing trouble in store. There is a monitor on the shop floor as well as a monitor on the Managers office. All images are stored on the hard drive for a period of 30 days after which they can be erased or saved to disc at the request of the police. All current security measures will remain in operation. All staff have been fully trained in this area. Images will be made available to the police or authorised licensing officer from the council on request.

c) Public safety

Staff will be trained to be alert to any potential danger to customers and react accordingly. If they are unable to quickly diffuse the situation without risk to customer or staff, then they are instructed to call the police. All relevant fire procedures are in place for a store of this size.

d) The prevention of public nuisance

Youths will be encouraged to move from the entrance to the store to prevent the potential of causing nuisance to customers, either in requesting they purchase alcohol on their behalf, or general intimidating behaviour. The entrance to the store is also visible from the till point area, and so can be monitored by the staff. CCTV cameras will also pick up any disturbance in this area.

e) The protection of children from harm

Only photographic ID will be accepted (passport, driving licence, citizen card with hologram). Anyone who appears to be under the age of 21 will be challenged to provide ID. If the customer is unable to provide identification then no sale is made. No ID no sale. Any staff member who may be under the age of 18 must call a senior staff member to take over the sale and complete the transaction. If it is known that a customer intends to purchase alcohol to provide to minors then that sale will be refused. A refusals book will be set up and used to record all sales that are refused due to purchases being attempted by the under age. This book will be kept up to date at all times and made available to the Police and Licensing Authority on request.

7. If you wish people to be able to consume alcohol on the premises please tick on, if you wish people to be able to purchase alcohol to consume away from the premises please tick off. If you wish people to be able to do both please tick both.
8. 9. Please list here steps you will take to promote all four licensing objectives together.
10. The application form must be signed.
