

Item No. 13.	Classification: Open	Date: 27 January 2023	Meeting Name: Audit, governance and standards committee
Report title:		Report on the operational use of the Regulation of Investigatory Powers Act 2000	
Ward(s) or groups affected:		All	
From:		Director of Law and Governance	

RECOMMENDATION

1. That the committee note the information relating to the use of RIPA in 2022.

BACKGROUND INFORMATION

2. The Regulation of Investigatory Powers Act 2000 (RIPA) puts a regulatory framework around a range of investigatory powers used by local authorities. This is done to ensure the powers are used lawfully and in a way that is compatible with the European Convention on Human Rights. It also requires, in particular, those authorising the use of covert techniques to give proper consideration to whether their use is necessary and proportionate.
3. RIPA legislates for the use by local authorities of covert methods of surveillance and information gathering to assist in the detection and prevention of crime in relation to an authority's functions.
4. The audit governance and standards committee and its predecessor committee has agreed to consider annual reports on the use of RIPA since 2010

KEY ISSUES FOR CONSIDERATION

5. The council's use of these powers is subject to regular inspection and audit by the Investigatory Powers Commissioner's Office in respect of covert surveillance authorisations under RIPA. During these inspections, authorisations and procedures are closely scrutinised and Authorising Officers are interviewed by the inspectors.
6. The council was last inspected by HH Brian Barker, Assistant Surveillance Commissioner, on 3 October 2016. The council was due to be inspected again in March 2020 but this did not take place due to the COVID public emergency. A virtual inspection took place in 2021 by an inspector who examined the council's use of RIPA powers in relation to directed surveillance and using covert human intelligence

sources (CHIS). The information provided demonstrated at the time a level of compliance that removed for the time being the requirement for a physical inspection.

7. Local authority authorisations and notices under RIPA (Regulation of Investigatory Powers Act 2000) will only be given effect once an order has been granted by a Justice of the Peace. Authorisations are for 3 months and can only be extended with further judicial approval. Within the 3 month period they are subject to regular reviews (usually monthly) to ensure they are still required.
8. Additionally, local authority use of directed surveillance under RIPA has been limited to the investigation of crimes which attract a six month or more custodial sentence, with the exception of offences relating to the underage sale of alcohol and tobacco.
9. Appendix A shows the usage for the period 1 January 2022 to 31 December 2022. Appendix B shows the usage for the period 1 January 2016 to 31 December 2021 for comparison purposes.
10. Officers involved in the authorisation process are provided with relevant training very two years. This was last organised in 2021 and will be taking place again later this year.
11. The council's RIPA policy and procedures were last fully reviewed in August 2019 with some updates to details of officers made in the last year.

Community impact statement

12. The use of these powers under RIPA enhances the effective operation of statutory investigatory functions within a legal framework that ensures appropriate safeguards are met. These functions are directed at providing safeguards to the community at large but are often required to enable those who are vulnerable to be protected from criminal anti-social activity who may also have one or a number of protected characteristics as set out in the Equality Act 2010.

Health impact statement

13. There are no specific identified health impacts resulting from the contents of this report.

Climate change implications

14. There are no specific climate change implications anticipated as a result of the issues discussed in this report.

Legal implications

15. The legal context is set out in the body of the report.

Financial implications

16. The use of RIPA powers is ancillary to investigations carried out in services and in the context of their own budgeted resources. No additional resources are identified as needed from this report.

Consultation

17. No consultation has been carried out in compiling this report.
