

Item No. 14.	Classification: Open	Date: 6 February 2023	Meeting Name: Audit, governance and standards committee
Report title:		Annual work programme for the following year (2023-24)	
Ward(s) or groups affected:		All	
From:		Strategic Director of Finance and Governance	

RECOMMENDATIONS

1. That the audit, governance and standards committee consider the proposed draft work programme for 2023-24 and whether they would wish to make amendments to arrangements as set out in paragraphs 8 to 10 of this report, or in respect of any other matters.
2. That the audit, governance and standards committee, subject to any requested changes, agree the work programme for 2023-24 set out in Appendix 2.

BACKGROUND INFORMATION

3. Since its establishment in March 2007, the committee has agreed a work programme for the forthcoming year. Amendments to the programme to take account of changing circumstances can be made throughout the year.
4. The purpose of this report is to set out possible areas of work for consideration to enable members to agree a programme for 2023-24.

KEY ISSUES FOR CONSIDERATION

5. In considering items for inclusion, it may be helpful to do this within the framework of the committee's purpose, as set out in the constitution. This is set out in the constitution to be:
 - Independent assurance of the adequacy of the council's governance arrangements, including the risk management framework and the associated control environment
 - Independent scrutiny of the authority's financial and non-financial performance to the extent that it affects the authority's exposure to risk and weakens the control environment
 - Oversight of the financial reporting process
 - Scrutiny of the treasury management strategy and policies

- A framework to promote and maintain high standards of conduct by councillors, co-opted members and church and parent governor representatives.
6. The committee's terms of reference, as approved by council assembly, cover functions relating to audit activity, the regulatory framework, accounts, treasury management and the council's standards framework. They are attached at Appendix 1 as they may further help the committee to determine items to be included in its work programme.
 7. Using the 2022-23 revised work programme as a starting point, a draft programme for 2023-24 has been included at Appendix 2 for the committee's consideration. Items shown in brackets are standing items which will be brought forward as they arise. The draft programme is based on meetings of the committee being held in June 2023, July 2023, September 2023, November 2023, February 2024 and on to June 2024.

Areas of governance for review

8. From 2020-21 onwards, the committee have invited chief officers to attend and discuss departmental governance. The programme was suggested on the understanding that this would be likely to take two years to see all the chief officers
9. Members are asked to consider whether they would wish to continue this approach. If they do not wish to continue this approach, they are asked to identify an alternative approach to the review of governance.
10. It has been suggested that members consider whether there are specific areas of interest, potentially arising from internal audit updates, that they would welcome a more in-depth conversation on, as an alternative to or in addition to the current governance conversations with chief officers.
11. There remains a need to ensure flexibility in terms of emerging issues which come to light through items already on the committee's agenda. For example, a review of audit recommendations and progress on their implementation may highlight a need to request the attendance of individuals at a future meeting to help explain action taken. The work plan itself is a guideline, and items can be amended, added, or removed as required throughout the year.
12. Items have been grouped in line with its functions, in order to ensure that there is appropriate coverage of the committee's key roles as defined in its terms of reference.
13. Training will continue to be provided for members on the role of the committee, and development needs will continue to be monitored to enable appropriate training to be provided as opportunities arise.
14. The committee is asked to consider whether the attached draft work programme reflects its priorities for the next year or whether there are other amendments

which it would wish to see included.
