## Deputation requests

### Sceaux Gardens tenant representatives

5. The deputation would like to address cabinet in respect of item 10: Marie Curie update and to query why the Marie Curie block was not considered for remedial works at the same time that works were agreed for Lakanal House. The deputation suggest that both blocks shared the same design and residents have expressed concerns that tenants were left exposed to a risk for a number of years.

### Brandon Tenants and Residents Association 1 and 3

6. The deputation would like to address cabinet to provide feedback from residents and insight to the Great Estates programme. The deputation have provided evidence which they feel demonstrate the success of the programme and details of the positive outcomes for the community. The community were made to feel they had an input into the design and delivery of the Great Estates programme, which in turn created pride in what was delivered. The programme included improving recycling on the estate, creating new community gardening plots (including junior gardening) and help for the immediate area.
7. The resident consultation was commended and the way different council departments worked together to deliver on the ideas proposed by the residents.
