## **BACKGROUND INFORMATION**

### **The Licensing Act 2003**

3. The Licensing Act 2003 provides a licensing regime for:
  - The sale of and supply of alcohol
  - The provision of regulated entertainment
  - The provision of late night refreshment.
4. Within Southwark, the licensing responsibility is wholly administered by this council.
5. The Act requires the licensing authority to carry out its functions under the Act with a view to promoting the four stated licensing objectives. These are:
  - The prevention of crime and disorder
  - The promotion of public safety
  - The prevention of nuisance
  - The protection of children from harm.
6. In carrying out its licensing functions, a licensing authority must also have regard to:
  - The Act itself
  - The guidance to the act issued under Section 182 of the Act
  - Secondary regulations issued under the Act
  - The licensing authority's own statement of licensing policy
  - The application, including the operating schedule submitted as part of the application
  - Relevant representations.
7. The premises licence application process involves the provision of all relevant information required under the Act to the licensing authority with copies provided by the applicant to the relevant responsible bodies under the Act. The application must also be advertised at the premises and in the local press. The responsible authorities and other persons within the local community may make representations on any part of the application where relevant to the four licensing objectives.

## **KEY ISSUES FOR CONSIDERATION**

### **The current premises licence**

8. The current premises licence issued in respect of the premises known as the L'Attitude, 18 Choumert Road, London, SE15 4SE was issued on 29 September 2022 and allows the following licensable activities:
  - **The sale of alcohol to be consumed on the premises:**
    - Monday to Sunday: 11:00 to 22:30

- **Opening hours:**
  - Monday to Sunday: 11:00 to 23:00.

9. A copy of the existing premises licence is attached as Appendix A.

### **The variation application**

10. On 17 January 2023 Martin Ekeocha-Kamara applied to this council to vary the premises licence granted under the Licensing Act 2003 in respect of the premises known as L'Attitude, 18 Choumert Road, London, SE15 4SE. The premises purpose and nature of the variation is described within the application as follows:

- '...To change the opening times (on weekends) to reach up to 3am on Fridays and Saturdays. It is a ground floor cocktail bar. The variation would include the sale of alcohol and refreshment up until the time stated'.

11. The application is summarised as follows:

- To add recorded music (indoors):
  - Monday to Thursday: 17:00 to 23:00,
  - Friday: 17:00 to 03:00,
  - Saturday: 12:00 to 03:00

  - Sunday: 12:00 to 23:00
- The premises is now described as a cocktail bar.

12. A copy of the application is attached to this report as Appendix B.

### **Representations from responsible authorities**

13. Representations have been submitted by the Metropolitan Police Service, the council's environmental protection team (EPT) and the council's licensing team as responsible authorities.

14. The police representation is concerned with all four of the licensing objectives, and in particular the prevention of crime and disorder and objects to the application in full.

15. The police representation states that the premises is within the Peckham major town centre area and also falls within the Peckham cumulative impact area and that the hours applied for are outside of that recommended for a bar in the Southwark statement of licensing policy.
16. The police further contend that the area of the premises has been subject over a number of years to alcohol related anti-social behaviour and to extend the hours to that of a nightclub would only add to the problems in this area. The applicant has offered some control measures in the operating schedule however they are vague and in current guise not in an enforceable form.
17. The EPT representation is concerned with the prevention of public nuisance licensing objective and contends that the proposed licensable activities for Fridays into Saturdays/Saturdays into Sundays are outside of suggested closing times for licensed premises of this type within this area as stated within Southwark statement of licensing policy 2021-2026. No reasons have been provided for deviation from this policy.
18. The EPT has raised concerns that the applicant has not explained how they would comply with condition 344 of the existing licence that limits alcohol to only be served in conjunction with table meals; "344 - That intoxicating liquor shall not be sold or supplied for consumption on the premises otherwise than to persons taking table meals there and as an ancillary to that persons meal."
19. The EPT further add an advisory note regarding planning permission and hours granted and invites the applicant to discuss the condition.
20. The licensing representation is concerned with the prevention of public nuisance and the prevention of crime and disorder licensing objectives.
21. The licensing representation states that the premises is within the Peckham major town centre and also falls within the Peckham cumulative impact area (CIA) and that the CIA does not apply to restaurants in this area.
22. The representation asks for clarification of the premises accommodation limit, seeks further conditions to promote the licensing objectives and that the closing times of the premises are amended to match those recommended in the licensing policy for restaurants and cafes located in Peckham major town centre area.
23. Copies of the representations submitted by the responsible authorities are attached as Appendix C.

### **Representations from other persons**

24. Representations have been submitted by 10 other persons, including a local ward councillor.
25. The other person's representations are concerned with the prevention of crime and disorder, prevention of public nuisance and public safety licensing objectives.

26. The other persons contend that the premises is a frequent source of noise and disturbance due to loud music and people noise in a street that has existing problems with anti-social behaviour.
27. That the premises regularly plays extremely loud, bass heavy music that reverberates into residential properties, as the premises backs directly onto the residential houses, with allegations that there is inadequate sound insulation installed in the premises.
28. Allegations that the premises is breaching its licensed hours and conditions.
29. Copies of the representations submitted by the other persons are attached to this report as Appendix D.

### **Conciliation**

30. The representations were provided to the applicant. The applicant was advised that they could provide a reply to the representations if they so wished.
31. At the time of the writing of this report all of the representations remain outstanding and so must be considered by the licensing sub-committee in their determination of the application.
32. The licensing sub-committee will be apprised as to any conciliation, whether partial or full, of the responsible authorities and / or the other persons.

### **Premises licensing history**

33. The original premises licence in respect of the premises was issued to Bar Om Limited on 24 December 2018. At this time the premises was described as a restaurant.
34. The premises licence was transferred to Martin Ekeocha-Kamara on 16 September 2022.
35. Martin Ekeocha-Kamara was specified as the designated premises supervisor in respect of the premises on 29 September 2022.

### **Temporary Event Notices**

36. There have been 13 temporary event notices (TENs) submitted in respect of the premises within the last year. A Table of TENs is attached to this report as Appendix E.

### **Complaints**

37. There have been eight complaints received to the licensing unit in the past year mainly regarding noise from the premises, but also ASB and alleged unlicensed activity.
38. A table of complaints is attached to this report as Appendix F.

## Map

39. A map showing the location of the premises is attached to this report as Appendix G.
40. At the time of writing this report the information of other premises shown on the map is not available and will be updated to all parties prior to the licensing sub-committee meeting.

## Southwark Council statement of licensing policy

41. Council assembly approved Southwark's statement of licensing policy 2021-2026 on 25 November 2020 and came into effect on 1 January 2021.
42. Sections of the statement that are considered to be of particular relevance to the sub-committee's consideration are:
  - Section 3 - Purpose and scope of the policy. This reinforces the four licensing objectives and the fundamental principles upon which this Authority relies in determining licence applications.
  - Section 5 – Determining applications for premises licences and club premises certificates. This explains how the policy works and considers issues such as location; high standards of management; and the principles behind condition setting.
  - Section 6 – Local cumulative impact policies. This sets out this authority's approach to cumulative impact and defines the boundaries of the current special policy areas and the classifications of premises to which they apply. To be read in conjunction with Appendix B to the policy.
  - Section 7 – Hours of operation. This provides a guide to the hours of licensed operation that this Authority might consider appropriate by type of premises and (planning) area classification.
  - Section 8 – The prevention of crime and disorder. This provides general guidance on the promotion of the first licensing objective.
  - Section 9 – Public safety. This provides general guidance on the promotion of the second licensing objective.
  - Section 10 – The prevention of nuisance. This provides general guidance on the promotion of the third licensing objective.
  - Section 11 – The protection of children from harm. This provides general guidance on the promotion of the fourth licensing objective.
43. The purpose of Southwark's statement of licensing policy is to make clear to applicants what considerations will be taken into account when determining applications and should act as a guide to the sub-committee when considering the applications. However, the sub-committee must always consider each application on its own merits and allow exceptions to the normal policy where these are justified by the circumstances of the application.

44. Members should take into consideration both the Southwark statement of licensing policy and the Section 182 Guidance when making decisions. The links are below:

    - Friday and Saturday: 00:00

### **Climate change implications**

49. Following council assembly on 14 July 2021, the council is committed to considering the climate change implications of any decisions.
50. Climate change is not a legal factor in the consideration of a grant of a premises license under the current licensing objectives, however members can make enquiries and request an agreement from applicants to promote the reduction of the impact of climate change that may be caused by the operation of the premises.

51. Examples of such agreements may be:

- Not use single use plastics, such as disposable plastic glasses, when selling alcohol at the premises.
- Encourage patrons not to drive to venues by providing details of public transport on their webpages/tickets.

52. The council's climate change strategy is available at:

<https://www.southwark.gov.uk/assets/attach/48607/Climate-Change-Strategy-July-2021-.pdf>

## **Community, equalities (including socio-economic) and health impacts**

### **Community impact statement**

53. Each application is required by law to be considered upon its own individual merits with all relevant matters taken into account.

### **Equalities (including socio-economic) impact statement**

54. This report does not result in a policy decision and each application is required to be considered upon its own individual merits with all relevant matters taken into account. In considering the recommendations of this report, due regard must be given to the public sector equality duty set out in section 149 of the Equality Act 2010. This requires the Council to consider all individuals when carrying out its functions.

55. Importantly, the council must have due regard to the need to eliminate discrimination, harassment, victimisation, or other prohibited conduct; advance equality of opportunity and foster good relations between people who have protected characteristics and those who do not. The relevant protected characteristics are age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, sexual orientation. The public sector equality duty also applies to marriage and civil partnership, but only in relation to the need to eliminate discrimination, harassment, victimisation, or other prohibited conduct.

56. The equalities impact statement for licensing decisions is contained within the Southwark statement of licensing policy 2021 – 2026 at:

<https://www.southwark.gov.uk/business/licences/business-premises-licensing/licensing-and-gambling-act-policy>.

57. The equalities impact assessment is available at:

<https://moderngov.southwark.gov.uk/documents/s92016/Appendix%20F%20-%20Equalities%20Impact%20Assessment.pdf>

### **Health impact statement**

58. Health impacts cannot be considered by law when making decisions under the Licensing Act 2003.

## **Resource implications**

59. A fee of £190.00 has been paid by the applicant in respect of this application being the statutory fee payable for premises within non-domestic rateable value B.

## **Consultation**

60. Consultation has been carried out on this application in accordance with the provisions of the Licensing Act 2003. A public notice was published in a local newspaper and similar notices were exhibited outside of the premises for a period of 28 consecutive days.

## **Community impact statement**

61. Each application is required by law to be considered upon its own individual merits with all relevant matters taken into account.

## **SUPPLEMENTARY ADVICE FROM OTHER OFFICERS**

### **Assistant Chief Executive – Governance and Assurance**

62. The sub-committee is asked to determine the application for a premises licence under Section 17 of the Licensing Act 2003.
63. The principles which sub-committee members must apply are set out below.

### **Principles for making the determination**

64. The sub-committee is asked to determine the application for a premises licence under section 17 of the Licensing Act 2003.
65. The principles which sub-committee members must apply are set out below.
66. The general principle is that applications for premises licence applications must be granted unless relevant representations are received. This is subject to the proviso that the applicant has complied with regulations in advertising and submitting the application.
67. Relevant representations are those which:
- Are about the likely effect of the granting of the application on the promotion of the licensing objectives
  - Are made by an interested party or responsible authority
  - Have not been withdrawn
  - Are not, in the opinion of the relevant licensing authority, frivolous or vexatious.
68. If relevant representations are received then the sub-committee must have regard to them, in determining whether it is necessary for the promotion of the licensing objectives to:

- To grant the licence subject to:
  - The conditions mentioned in section 18 (2)(a) modified to such extent as the licensing authority considers necessary for the promotion of the licensing objectives
  - Any condition which must under section 19, 20 or 21 be included in the licence.
- To exclude from the scope of the licence any of the licensable activities to which the application relates.
- To refuse to specify a person in the licence as the premises supervisor.
- To reject the application.

## **Conditions**

69. The sub-committee's discretion is thus limited. It can only modify the conditions put forward by the applicant, or refuse the application, if it is necessary to do so. Conditions must be necessary and proportionate for the promotion of one of the four licensing objectives, and not for any other reason. Conditions must also be within the control of the licensee, and should be worded in a way which is clear, certain, consistent and enforceable.
70. The four licensing objectives are:
- The prevention of crime and disorder
  - Public safety
  - The prevention of nuisance
  - The protection of children from harm.
71. Members should note that each objective is of equal importance. There are no other licensing objectives, and the four objectives are paramount considerations at all times.
72. Conditions will not be necessary if they duplicate a statutory position. Conditions relating to night café and take away aspect of the license must relate to the night time operation of the premises and must not be used to impose conditions which could not be imposed on day time operators.
73. Members are also referred to the Home Office Revised Guidance issued under section 182 of the Licensing Act 2003 on conditions, specifically section 10.

## **Reasons**

74. If the sub-committee determines that it is necessary to modify the conditions, or to refuse the application for a premises licence application, it must give reasons for its decision.

## **Hearing procedures**

75. Subject to the licensing hearing regulations, the licensing committee may determine its own procedures. Key elements of the regulations are that:
- The hearing shall take the form of a discussion led by the authority. Cross examination shall not be permitted unless the authority considered that it is required for it to consider the representations.
  - Members of the authority are free to ask any question of any party or other person appearing at the hearing.
  - The committee must allow the parties an equal maximum period of time in which to exercise their rights to:
    - Address the authority
    - If given permission by the committee, question any other party.
    - In response to a point which the authority has given notice it will require clarification, give further information in support of their application.
  - The committee shall disregard any information given by a party which is not relevant to the particular application before the committee and the licensing objectives.
  - The hearing shall be in public, although the committee may exclude the public from all or part of a hearing where it considers that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing, taking place in private.
  - In considering any representations or notice made by a party the authority may take into account documentary or other information produced by a party in support of their application, representations or notice (as applicable) either before the hearing or, with the consent of all the other parties, at the hearing.
76. This matter relates to the determination of an application for a premises licence under Section 17 of the Licensing Act 2003. Regulation 26(1) (a) requires the sub-committee to make its determination at the conclusion of the hearing.

## **Council's multiple roles and the role of the licensing sub-committee**

77. Sub-committee members will note that, in relation to this application, the council has multiple roles. Council officers from various departments have been asked to consider the application from the perspective of the council as authority responsible respectively for environmental health, trading standards, health and safety and as the planning authority.
78. Members should note that the licensing sub-committee is meeting on this occasion solely to perform the role of licensing authority. The sub-committee sits in quasi-judicial capacity, and must act impartially. It must offer a fair and unbiased hearing of the application. In this case, members should disregard the council's broader policy objectives and role as statutory authority in other contexts. Members must direct themselves to making a determination solely based upon the licensing law, guidance and the council's statement of licensing policy.

79. As a quasi-judicial body the licensing sub-committee is required to consider the application on its merits. The sub-committee must take into account only relevant factors, and ignore irrelevant factors. The decision must be based on evidence, that is to say material, which tends logically to show the existence or non-existence of relevant facts, or the likelihood or unlikelihood of the occurrence of some future event, the occurrence of which would be relevant. The licensing sub-committee must give fair consideration to the contentions of all persons entitled to make representations to them.
80. The licensing sub-committee is entitled to consider events outside of the premises if they are relevant, i.e. are properly attributable to the premises being open. The proprietors do not have to be personally responsible for the incidents for the same to be relevant. However, if such events are not properly attributable to the premises being open, then the evidence is not relevant and should be excluded. Guidance is that the licensing authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public, living, working or engaged in normal activity in the area concerned.
81. Members will be aware of the council's code of conduct which requires them to declare personal and prejudicial interests. The code applies to members when considering licensing applications. In addition, as a quasi-judicial body, members are required to avoid both actual bias, and the appearance of bias.
82. The sub-committee can only consider matters within the application that have been raised through representations from other persons and responsible authorities. Interested parties must live in the vicinity of the premises. This will be decided on a case to case basis.
83. Under the Human Rights Act 1998, the sub-committee needs to consider the balance between the rights of the applicant and those making representations to the application when making their decision. The sub-committee has a duty under section 17 Crime and Disorder Act 1998 when making its decision to do all it can to prevent crime and disorder in the borough.
84. Other persons, responsible authorities and the applicant have the right to appeal the decision of the sub-committee to the magistrates' court within a period of 21 days beginning with the day on which the applicant was notified by the licensing authority of the decision to be appealed against.

## **Guidance**

85. Members are required to have regard to the Home Office guidance in carrying out the functions of licensing authority. However, guidance does not cover every possible situation, so long as the guidance has been properly and carefully understood, members may depart from it if they have reason to do so. Full reasons must be given if this is the case.

## **Strategic Director of Finance and Governance**

86. The head of regulatory services has confirmed that the costs of this process over and above the application fee are borne by the service.
