Dear Licensing Team,

**RE: Temporary Event Notice for 17/3/2023 (1200) to 18/3/2023 (0300) for maximum of 300 people**

I wish to make a representation on behalf of Southwark Environmental Protection Team (EPT) in our capacity as Environmental Health Responsible Authority on the above TEN.

Event is described as "The sale of alcohol, the provision of late night refreshment and regulated entertainment to the public".

There is a historical record of issues around this premises that had led for its licence to be revoked. Further to that, more recent complaints and issues as result of holding temporary events have been reported. These issues were mainly from rowdy behaviour following what appears to be a patron mismanagement from Cool and Cozzy "The Flying Dutchman".

It is my opinion that this event is likely to lead to public nuisance and as there is no evidence show that there have been any changes to improve current situation. Therefore, on behalf of EPT, I object the above application on the grounds of the likely effect of the sought Notice if granted, on the promotion of the 'prevention of public nuisance' licensing objective

Kind Regards
