KEY ISSUES FOR CONSIDERATION

Leader and cabinet

9. The Local Government and Public Involvement in Health Act 2007 required the council to make changes to its governance and decision making arrangements. At an extraordinary meeting of council assembly on 4 November 2009, the council agreed that the current executive leader and cabinet model be adopted. The new arrangements commenced immediately after the elections in May 2010.
10. Under the executive "leader and cabinet" model, there is a leader of the council and a cabinet of at least two but no more than nine other councillors. The leader is responsible for all executive functions, and decides which of these functions are going to be delegated to other cabinet members, local committees or council officers. The cabinet is appointed by the leader.
11. Councillor Kieron Williams was first elected as leader of the council by council assembly on 16 September 2020. On 21 May 2022, council assembly re-elected Councillor Williams as leader of the council and his term of office commenced from that date and shall end at the start of the first annual meeting of the council following the next ordinary election¹.

Report of the leader of the council and delegation of executive functions

12. Each year the elected leader must appoint their cabinet. In accordance with the constitution, this can consist of a minimum of two and up to a maximum of nine nominated members, whose portfolios are determined and allocated by the leader. The leader must appoint a deputy leader.

¹ Article 6.3 of the Constitution

13. The leader will be invited to report on the delegation of executive functions, appoint a deputy leader and appoint other cabinet members and determine their portfolios.
14. The leader will report on any further delegations including:
 - The extent of any authority delegated to cabinet members individually, including details of the limitation on their authority
 - The terms of reference and membership of any cabinet committees
 - The nature and extent of any delegation of executive functions, any other authority or joint arrangement
 - The nature and extent of any delegation to officers with details of any limitation on that delegation.
15. The leader may also decide to delegate executive functions to the health and wellbeing board. During the year the leader may vary the executive scheme of delegation by giving notice to the monitoring officer. A variation may be permanent or relate to a particular decision.

Deputy cabinet members

16. The leader will also report on the appointment of any deputy cabinet members and determine their roles. Deputy cabinet members may hold responsibility for specific tasks designated by the leader, in consultation with the monitoring officer. Deputy cabinet members cannot take part in any formal decision making.
17. The role description and parameters of deputy cabinet members is attached as Appendix 1.

Role of council assembly

18. Following receipt of the leader's report, council assembly will note as a consequence that the proper constitutional officer will update Part 3 of the constitution in accordance with the leader's report on the delegation of executive functions.

Appointments to panels, boards and forums

19. The cabinet will consider appointments to panels, boards and forums where the function falls within the responsibility of the executive (e.g. housing, education, social services, regeneration, etc.).
