

Non-strategic Traffic and Highway improvement

Appendix	1
Location	Halpin Place
Proposal	Convert existing single yellow lines to double yellow lines and install single blips
Ward(s) affected	North Walworth

Non-strategic Traffic and Highway improvement

A non-strategic traffic and highway improvement is a small project where the council proposes to modify the existing Highway layout. This may include changes to waiting and loading restrictions, traffic calming, improved crossing facilities etc.

Under Part 3D of the council's constitution, the Cabinet Member is responsible for Transport Issues: To decide to implement a traffic and highway improvement project, subject to statutory consultation.

Background / Request

This request came from the local waste collection, informing Highways that vehicles are parked up on this road resulting to the road then being blocked off and not being able to collect waste.

Location

- Halpin Place, North Walworth
- Halpin Place is in a controlled parking zone (M1), operating Mon-Fri, 8.30am – 6.30pm.
- There are currently single yellow lines

Investigation and conclusions

- Officers attended site and noted that vehicles were parking on this narrow road making it impossible to access.

Recommendation

It is recommended that the existing single yellow lines are to be converted to double yellow lines and single blips to be installed. 7am-7pm

This proposal is subject to Traffic Management Order (TMO) statutory consultation. A TMO is the legal mechanism the council as traffic authority uses to control aspects of the way that the highway is used. They provide the legal backing to signs and road markings used on the highway and allow them to be enforceable.

A detailed design drawing of the proposal is provided within this document.

Next steps

Should this non-strategic Traffic and Highway improvement proposal be approved, then arrangement will be made to carry out statutory consultation.

Following the statutory consultation period, the council will make arrangements to install the restrictions (road marking and signage).

Should objections be received during the statutory consultation period, these will be presented to the Cabinet Member for determination.
