

Non-strategic Traffic and Highway improvement

Appendix	13
Location	Townley Road
Proposal	Install yellow box at the junction with Calton Avenue
Ward(s) affected	Dulwich Village

Non-strategic Traffic and Highway improvement

A non-strategic traffic and highway improvement is a small project where the council proposes to modify the existing Highway layout. This may include changes to waiting and loading restrictions, traffic calming, improved crossing facilities etc.

Under Part 3D of the council's constitution, the Cabinet Member is responsible for Transport Issues: To decide to implement a traffic and highway improvement project, subject to statutory consultation.

Background / Request

This request came from cyclist commuters and Cllrs informing highways that at peak times this junction is extremely busy blocking the junction from turning right into Calton Avenue.

Location

- Townley Road, Dulwich Village
- Townley Road is not in a controlled parking zone, allowing free parking for all.
- There are currently zig zags

Investigation and conclusions

- Officers attended site and noted that vehicles were blocking the junction causing hazards.

Recommendation

It is recommended that a yellow box is to be installed to ensure the junction is kept clear at all times.

This proposal is subject to Traffic Management Order (TMO) statutory consultation. A TMO is the legal mechanism the council as traffic authority uses to control aspects of the way that the highway is used. They provide the legal backing to signs and road markings used on the highway and allow them to be enforceable.

A detailed design drawing of the proposal is provided within this document.

Next steps

Should this non-strategic Traffic and Highway improvement proposal be approved, then arrangement will be made to carry out statutory consultation.

Following the statutory consultation period, the council will make arrangements to install the restrictions (road marking and signage).

Should objections be received during the statutory consultation period, these will be presented to the Cabinet Member for determination.
