CAR PARKS INCLUDING HOUSING ESTATES PARKING ENFORCEMENT: PCN CODES

Parking enforcement on the council's housing estates uses a mixture of on-street and off-street PCN contravention codes. Access roads to the estates and estate car parking areas often fulfil all the criteria for what a road is, even though it is not public highway.

When enforcing an estate road, contravention code 01 for double yellow line waiting restrictions and code 62 for footway parking contraventions are used in the same way as the on-street enforcement protocol describes above.
