Part 3 Operating Schedule

When do you want the premises licence to start?

DD	MM	YYYY
2	00	82023

If you wish the licence to be valid only for a limited period, when do you want it to end?

DD	MM	YYYY

We wish the licence for these premises to be renewable at a similar time annually. This event is for a festival on Sunday, 20th August 2023 and we host this event annually. This year, we are expecting 5,000 people at any one time. However, our intention is to upscale the event in the future so we are choosing to apply for 10,000 people now, to ensure we can use the licence for a longer period (hence no end date). The premises are a section of The Burgess Park called the Great Lawn, close to Chumleigh Gardens, off Albany Road and so an outdoor setting. There will be a gazebo bar with chairs and tables and a cold vehicle chilling drinks over night. There will be food stalls/vans closing at 9.30pm. There will be a main stage with Latin American live orchestra music from folk to salsa and we will monitor the sound level throughout the day. There will be a marquis too within which pre recorded Latin music will be played and some drumming for dance workshops and free style dance.

If 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend.

10000 to 14999

What licensable activities do you intend to carry on from the premises?

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

We will follow the existing health & safety/ fire safety requirements for each objective. b - thorough searching and confiscations prior to entrance c - controlling overcrowding, trained personnel and clear signposting d – avoiding noise nuisance, litter, light pollution and transportation on public roads by encouraging arrival and leaving the event by bicycle, on foot or public transport. e - child restrictions, restrictions to sale of alcohol to minors – training will include being vigilant of adults buying alcohol for a minor or child.

b) The prevention of crime and disorder

Procedures will be followed with the security team, highly experienced SB Security, to control entry using clickers to keep numbers correct. If people need to form a queue to wait to get into the festival, staff will communicate and explain waiting times and why there is a need to wait, so that the stay calm. Pocket and bag searching at the entrance will take place with security staff confiscating alcohol, drugs and other harmful items. There will be clear specified times of last sale and premises closure. This will be at 9.30pm and we have requested the licence until 10pm as a further safety measure so that if with the music there are a few minutes over 9.30pm to finish a song or say good bye to the public, this will be allowed, sending the public home relaxed and happy

c) Public safety

We will keep a control on the number of people entering the using counting clickers, to ensure no overcrowding on the premises. We will be vigilant to adhere to the rules of sale for alcohol, following the Challenge 25 policy fully to prevent young people and children gaining access to age restricted products such as alcoholic beverages. The health and safety officer will have supervision over health and safety matters. Washing stations will be sign-posted and trained First-Aid personnel will be visible, at the first aid gazebo at all times. There will be one main entrance to the premises and two exits. These will be clearly signposted to ensure safe entrance and departure to the premises. Safety checks to production e.g. mechanical installation of the stage, fencing etc will be carried out before admission to the public.

d) The prevention of public nuisance

In the event of queuing for entry, the public will be informed of likely wait times in order to prevent public nuisance. For those inside the event, strict monitoring on the number of people on the premises will take place. In line with our event management plan sent to the Southwark events team, there will be maximum 5000 attendees on the site at any given time, following safe capacity limits. Noise nuisance will be monitored through out and adjustments made, if necessary. No bright lights will be used, by this event, outside the premises. The public will be asked, from the stage and dance marquis to leave the site quietly. In order to not cause congestion on public roads, the public will be encouraged to cycle or walk to and from the premises or use public transport. A display of transport links for those travelling further will be displayed at the exit. Litter bins and outdoor toilets will be signposted to avoid public urination and littering on the premises.

e) The protection of children from harm

There will be an attended lost persons station. Staff will be vigilant to monitor behaviour of children. Measures will include following the challenge 21 and 25 policies for proof of age policies, to help raise the awareness to the illegality of underage sales - with both staff and customers alike. Staff will be encouraged to verify age of any individual buying alcohol, to encourage anyone over 18, but looking under 25, to carry suitable ID while onsite. Due diligence will be applied to prevent underage sales, through staff training, so all are aware of their obligations to ask for suitable ID, recognise correct ID and are able to recognise fake ID. Posters will be displayed at the tills behind the bar, which will support staff to ask for ID and record failed attempts. We will publish our right to refuse to sell ID e.g. if an adult is with a child and we determine it may be for an individual under 18. There will be no adult entertainment on the premises. Limitations on the hours children may be present will be publicised. There will be limitations on areas of the site that children may access; therefore, there will be a dedicated children's entertainment section.

14. This is the address which we shall use to correspond with you about this application.
15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service.

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
