**Subject:** RE: Application for a time limited? premises license, Carnaval del Pueblo Asociación (reg Charity No 1173888), The Great Lawn, Burgess Park, SE5 0AT Ref: 880456

Trading Standards as a responsible authority are in receipt of a new premises license application from Carnaval del Pueblo Asociación (reg Charity), in respect of a premises at The Great Lawn, Burgess Park, SE5 0AT. Trading Standards as a responsible authority are making representation in respect of this application under all the licensing objectives, but primarily the protection of children from harm.

In the general description this is:-

“There will be an attended lost persons station. Staff will be vigilant to monitor behaviour of children. Measures will include following the challenge 21 and 25 policies for proof of age policies, to help raise the awareness to the illegality of underage sales - with both staff and customers alike. Staff will be encouraged to verify age of any individual buying alcohol, to encourage anyone over 18, but looking under 25, to carry suitable ID while onsite. Due diligence will be applied to prevent underage sales, through staff training, so all are aware of their obligations to ask for suitable ID, recognise correct ID and are able to recognise fake ID. Posters will be displayed at the tills behind the bar, which will support staff to ask for ID and record failed attempts. We will publish our right to refuse to sell ID e.g. if an adult is with a child and we determine it may be for an individual under 18. There will be no adult entertainment on the premises. Limitations on the hours children may be present will be publicised. There will be limitations on areas of the site that children may access; therefore, there will be a dedicated children's entertainment section.”

Trading Standards would prefer the use of the industry standard Challenge 25 so as to ensure older looking under 18s do not get served alcohol. Trading Standards therefore simply asks that the following conditions be put forward to cover all these matters.

4AA - The premises shall operate an age check 'Challenge 25' policy whereby customers purchasing alcohol who look or appear to be under 25 years of age will be asked for an approved form of proof of age to verify their age. Approved forms shall include a driving licence, passport or a PASS approved proof of age card such as the Southwark Proof of Age (SPA) card.

4AB - All staff involved in the sale of alcohol shall be trained in the age check 'Challenge 25' policy. A record of their training, including the dates that each member of staff is trained, shall be available for inspection at the premises on request by the Council's authorised officers or the Police.

4AC - Age check or 'Challenge 25' signage shall be displayed at entrances to the premises, areas where alcohol is displayed for sale and at points of sale to inform customers that an age check 'Challenge 25' policy applies and proof of age may be required.

4AI - A register of refused sales of alcohol shall be maintained in order to demonstrate effective operation of the policy. The register shall be available for inspection at the premises on request by Council authorised officers or the Police.

- There will be an attended lost persons station. Staff will be vigilant to monitor behaviour of children.
- Children under 18 will not be allowed on the site after (please suggest a time which is not specified in the application for discussion)
- Children under 18 will only be allowed access to these areas (please specify)

I attach electronic documents of training materials and a refusals register which can be used to meet the above conditions in terms of staff training and use of a refusal register. This effectively saves the business the cost of paying a consultant to undertake such activities. There is no reason why a person in the business who holds a personal license cannot undertake such training for staff and this can form part of a defence for the business should a member of staff supply alcohol to a minor.

If you are happy to accept these conditions (having finalised the matters where specifics are requested) then trading standards, as a responsible authority, will be happy to lift the representations made in respect of the application.

Hard copies of the above documents can be provided on request.
