This application to review relates to the following licensing objective(s)

	Please select one or more as appropriate
	3) the prevention of public nuisance

Please state the ground(s) for review (please read guidance note 2)

	I have had to ring the noise nuisance team 3 times in the last 2 weeks because of the amount of noise coming from the pub. They have live music and some times DJs playing on the first floor of the pub of which they open all the windows up so the noise travels. Sometimes the music is going on till after midnight. They have huge crowds of the patrons who go to the pub till after midnight and sometimes people still outside till 2 am in the morning as they have a late licence on certain days. The benches outside the pub I believe need to be stacked or put away after the pub closes. I previously went downstairs to speak with the landlord about the noise after I got back to my flat the noise level went up.

Please provide as much information as possible to support the application (please read guidance note 3)

	As what I have said above. Also it is affecting my wellbeing and amount of sleep I get .I never go to bed till after midnight as I know I am not going to be able to sleep. I am not in good health so getting as much sleep as possible is important.
