

Appendix 1

Thriving High Streets Fund – Further development group projects recommended for funding

| Project | Summary | Award | Location |
|-------------------------------------|---|-----------------|------------------------------|
| 1. Bermondsey Project Space | A series of arts events which offer a platform for creative individuals and enterprises in Southwark to promote their work in a prominent arts area. | £24,849 | West Bermondsey |
| 2. Camberwell Identity Group | A programme of inspirational projects that build on the Camberwell. Life love local and Camberwell Business Champion campaigns by bringing together the people, systems, marketing to ensure a thriving, sustainable green town centre, reflecting Camberwell's diversity and ensuring the town centre is fit for the future. | £21,800 | Camberwell |
| 3. Carnavel del Pubelo's | The Creative and Resilient Entrepreneur Project (CAREP) will nurture 15 marginalised Latin American aspiring entrepreneurs without qualifications, certifications, or experience to ensure 'trader ready' status and locate an empty high street shop front to enable traders to share flexibly a permanent store. | £25,000 | Elephant and Castle/Walworth |
| 4. East St Community | To revitalise East St market to create a welcoming and inclusive environment that attracts increased footfall and trade. | £12,800 | Elephant and Castle/Walworth |
| 5. Goldsmith's University | Cultural Activation on Camberwell & Peckham's High Streets: working with independent high street businesses to develop and deliver creative and cultural activity, in turn to increase footfall. | £25,000 | Peckham and Camberwell |
| Total | | £109,449 | |
