

**NOTES**

1. Dimensions in meters, unless otherwise stated.
2. This drawing should be read in conjunction with other relevant engineering details, drawings & specifications.
3. Any discrepancies should be reported to the design engineer immediately, so that clarification can be sought prior to the commencement of works.
4. The dimensions must be verified on site before construction.
5. All works are to be in accordance with Southwark borough council specification and standards.
6. The contractor is to ensure that this line marking divides the carriageway width (excluding parking) in 2 equals widths at the end of the marking.
