

Non-strategic Traffic and Highway improvement

Appendix	14
Location	Wren Road
Proposal	Convert parking bays and also install double yellow lines
Ward(s) affected	Camberwell Green

Non-strategic Traffic and Highway improvement

A non-strategic traffic and highway improvement is a small project where the council proposes to modify the existing Highway layout. This may include changes to waiting and loading restrictions, traffic calming, improved crossing facilities etc.

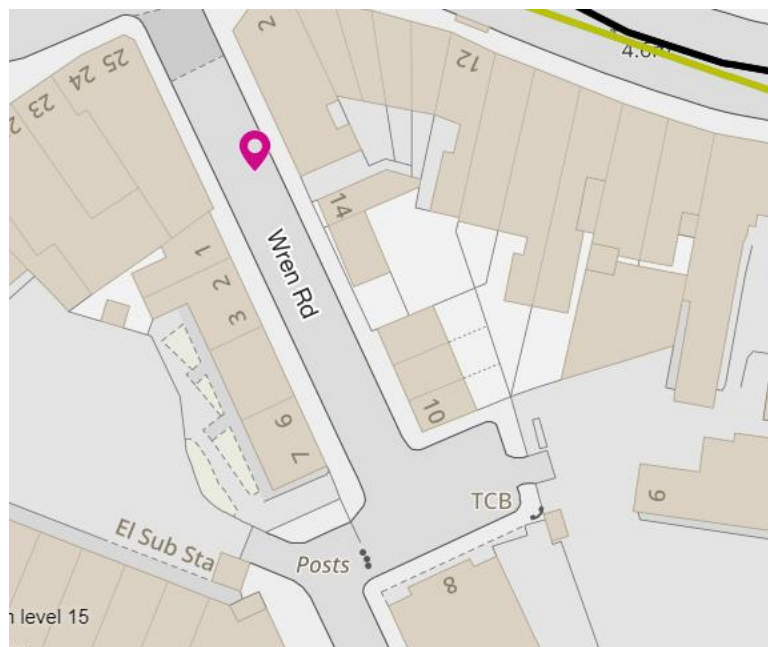

Under Part 3D of the council's constitution, the Cabinet Member is responsible for Transport Issues: To decide to implement a traffic and highway improvement project, subject to statutory consultation.

Background / Request

This request came from a resident, informing Highways of the amount of vehicles that just park on Wren Road making it impossible to access.

Location

- Wren Road, Camberwell Green
- Wren Road is in a controlled parking zone L. Operating 8.30am-18.30pm, Mon-Fri.

Investigation and conclusions

- Officers attended site and noted that there was parking issues. Officers did further investigation to the road and came up with a plan/proposal for the Road.

Recommendation

It is recommended that the existing PBP bays are converted to DYL, convert PH bay to short stay disabled bay, 1 PH bay and 1 PBP bay to short term free bay.

This proposal is subject to Traffic Management Order (TMO) statutory consultation. A TMO is the legal mechanism the council as traffic authority uses to control aspects of the way that the highway is used. They provide the legal backing to signs and road markings used on the highway and allow them to be enforceable.

A detailed design drawing of the proposal is provided within this document.

Next steps

Should this non-strategic Traffic and Highway improvement proposal be approved, then arrangement will be made to carryout statutory consultation.

Following the statutory consultation period, the council will make arrangements to install the restrictions (road marking and signage).

Should objections be received during the statutory consultation period, these will be presented to the Cabinet Member for determination.
