

Non-strategic Traffic and Highway improvement

Appendix	29
Location	Rushworth Street
Proposal	Remove 1 Permit holder only bay and replace with cycle toaster rack
Ward(s) affected	Borough & Bankside

Non-strategic Traffic and Highway improvement

A non-strategic traffic and highway improvement is a small project where the council proposes to modify the existing Highway layout. This may include changes to waiting and loading restrictions, traffic calming, improved crossing facilities etc.

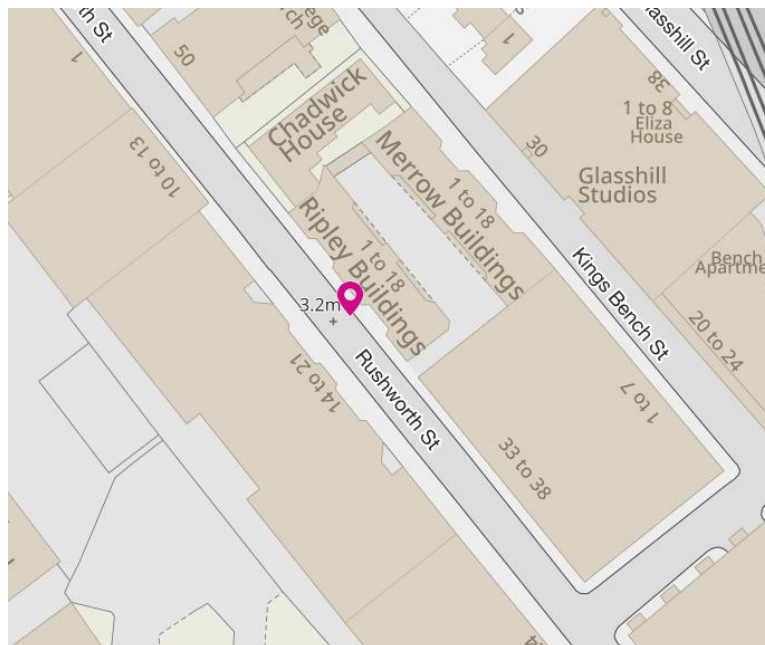

Under Part 3D of the council's constitution, the Cabinet Member is responsible for Transport Issues: To decide to implement a traffic and highway improvement project, subject to statutory consultation.

Background / Request

This request came from the business, informing Highways of the amount of colleagues that cycle to work and have nowhere for bike storage.

Location

- Rushworth Street, Borough & Bankside
- Rushworth Street is in a controlled parking zone C2
- There are currently permit holder only bays

Investigation and conclusions

- Officers attended site and noted that there were already cycle stands on the FW that was over crowded and there was a demand for more cycle storage

Recommendation

It is recommended that the existing Permit Only bay is to be converted with cycle stands.

This proposal is subject to Traffic Management Order (TMO) statutory consultation. A TMO is the legal mechanism the council as traffic authority uses to control aspects of the way that the highway is used. They provide the legal backing to signs and road markings used on the highway and allow them to be enforceable.

A detailed design drawing of the proposal is provided within this document.

Next steps

Should this non-strategic Traffic and Highway improvement proposal be approved, then arrangement will be made to carryout statutory consultation.

Following the statutory consultation period, the council will make arrangements to install the restrictions (road marking and signage).

Should objections be received during the statutory consultation period, these will be presented to the Cabinet Member for determination.
