<b>Recommendation</b>	<p>That the Cabinet Member for Climate Emergency, Clean Air &amp; Streets:</p> <ol style="list-style-type: none"> <li>1. Approves the implementation of a new controlled parking zone (“CPZ”) in Dulwich Village, covering a smaller area to originally proposed, including the following roads: Townley Road, Gilkes Crescent, Gilkes Place, Carlton Avenue, and partially East Dulwich Grove, in response to resident feedback. The remaining roads consulted as part of this consultation will not be part of a controlled parking zone. As explained in this report there has been a consistent theme raised by residents about inconsiderate and unsafe parking-related issues linked to local schools and this issue is a particular concern on the roads that are included in the new smaller zone. Otherwise given the overall majority who didn’t want a CPZ, their wishes, in revising the broader proposal, are being supported This proposal is subject to the</li> </ol>

Approves the operational hours of 8am to 9.30am and 3pm to 5pm Monday to Friday within the proposed CPZ area.</li> <li>3. Notes that a further report will be brought to the Cabinet Member should there be any valid statutory objections to the traffic order required to implement the proposed CPZ extension</li> <li>4. Notes that in addition to the controlled parking zone proposed as part of this report, officers will assess and propose double yellow line waiting restrictions across the entire consulted area where required for safety reasons.</li> </ol>
