

APPOINTMENTS TO JOINT COMMITTEES AND OUTSIDE BODIES

Responsibility for appointments and revocation of appointments to outside bodies is a local choice function under the Local Authorities (Functions and Responsibilities) (England) Regulations 2000, regulation 3(1), schedule 2, and paragraph 19. Members may therefore decide that any of the following appointments should be made by council assembly, but statutory guidance is that the cabinet should make appointments to outside bodies in connection with functions which are the responsibility of the cabinet, and all other appointments should be made by the council assembly, a committee or officer.

The Local Government Act 2000 and regulations enables local authorities to make use of joint arrangements with other authorities. Under these arrangements, a “joint committee” can be established in agreement with other local authorities to promote the economic, social or environmental wellbeing of the area. Cabinet members only may be appointed as representatives (and deputies) to joint committees. The provisions on joint arrangements are set out in article 9 of the council’s constitution.
