

NOTIFICATION OF KEY DECISION TO BE TAKEN

GENERAL EXCEPTION NOTICE

DETAILS OF DECISION	
Title of Report	Waste PFI Contract, Purchase of Food Waste Collection Vehicles and Equipment
Description/Nature of matter requiring Key Decision	To purchase waste collection vehicles and containers.
Decision taker	Cabinet Member for Climate Emergency, Clean Air & Streets
Date by which Key Decision must be taken	May 2024
Reason why it was impracticable for decision to be on the Forward Plan	Officers were not in a position to specify the decision required at the time of the May 2024 Forward Plan being published. Funding and details of the exact service specification had not yet been provided by Central Government.
Reason why the decision cannot wait for inclusion in the next Forward Plan	The next Forward Plan to be published will be the July 2024 Forward Plan. This will be too late for the purchase decision because the items to be purchased will not arrive in time to implement the service change in line with the statutory timetable, resulting in potentially substantial financial cost to the council.
