

# Non-strategic Traffic and Highway improvement

Appendix	10
Location	Grove Vale
Proposal	Change existing loading bay times
Ward(s) affected	Goose Green

## Non-strategic Traffic and Highway improvement

A non-strategic traffic and highway improvement is a small project where the council proposes to modify the existing Highway layout. This may include changes to waiting and loading restrictions, traffic calming, improved crossing facilities etc.

Under Part 3D of the council's constitution, the Cabinet Member is responsible for Transport Issues: To decide to implement a traffic and highway improvement project, subject to statutory consultation.

## Background / Request

This request came from a business, informing Highways that the loading bay times were at any time and there was no space for deliveries to park.

## Location

- Grove Vale
- Grove Vale is in PW controlled parking zone. Operating Mon-Fri, 9am-11am.
- There is currently a loading bay in place for "at any time"

### Investigation and conclusions

- Officers attended site and noted that vehicles were parking in the bay and not leaving making it impossible for deliveries to stop and load/unload.

### Recommendation

It is recommended that the at any time loading bay is to be changed to Mon-Sun, 6am-8pm, 40 mins, no return within 2 hours.

This proposal is subject to Traffic Management Order (TMO) statutory consultation. A TMO is the legal mechanism the council as traffic authority uses to control aspects of the way that the highway is used. They provide the legal backing to signs and road markings used on the highway and allow them to be enforceable.

A detailed design drawing of the proposal is provided within this document.

### Next steps

Should this non-strategic Traffic and Highway improvement proposal be approved, then arrangement will be made to carryout statutory consultation.

Following the statutory consultation period, the council will make arrangements to install the restrictions (road marking and signage).

Should objections be received during the statutory consultation period, these will be presented to the Cabinet Member for determination.
