

# Non-strategic Traffic and Highway improvement

Appendix	29
Location	Brook Drive
Proposal	Convert existing pay by phone bay to car club bay
Ward(s) affected	St Georges

## Non-strategic Traffic and Highway improvement

A non-strategic traffic and highway improvement is a small project where the council proposes to modify the existing Highway layout. This may include changes to waiting and loading restrictions, traffic calming, improved crossing facilities etc.

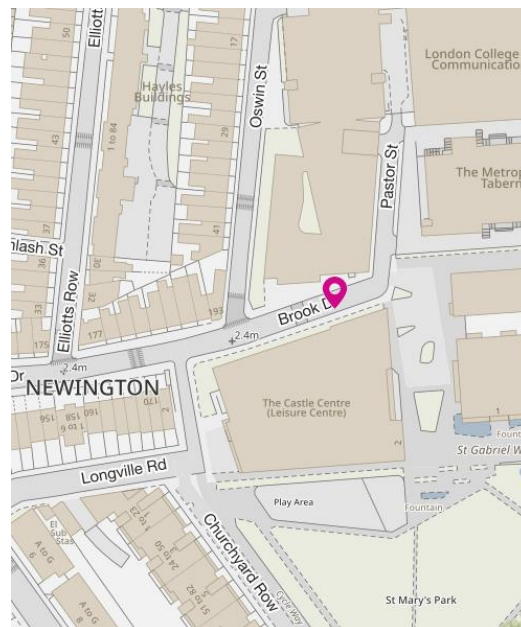

Under Part 3D of the council's constitution, the Cabinet Member is responsible for Transport Issues: To decide to implement a traffic and highway improvement project, subject to statutory consultation.

## Background / Request

This request came from a Highways Officer, informing the relevant officer that they need a car club bay for the new development.

## Location

- Brook Drive, St Georges
- Brook Drive is in C2 controlled parking zone.
- There are currently pay by phone bays in place

### Investigation and conclusions

- Officers attended site and noted that we couldn't implement it on the existing double yellow lines for safety reasons so we had to remove 1 pay by phone bay

### Recommendation

It is recommended that the existing pay by phone bay is to be converted to a car club bay

This proposal is subject to Traffic Management Order (TMO) statutory consultation. A TMO is the legal mechanism the council as traffic authority uses to control aspects of the way that the highway is used. They provide the legal backing to signs and road markings used on the highway and allow them to be enforceable.

A detailed design drawing of the proposal is provided within this document.

### Next steps

Should this non-strategic Traffic and Highway improvement proposal be approved, then arrangement will be made to carryout statutory consultation.

Following the statutory consultation period, the council will make arrangements to install the restrictions (road marking and signage).

Should objections be received during the statutory consultation period, these will be presented to the Cabinet Member for determination.
