*The pub is located in a residential area surrounded by flats and it is noisy every single day of the week not just the weekends. It is becoming very difficult to sleep at night. We have spoken with the pub several times and they have tried different measures to keep the noise down but the fact remains that it should not have a license for an outdoor space until so late at night (I believe it is until 2 am). Furthermore, when the drunk pub goers leave they shout and scream and often stay under the windows of the apartments. We often smell cigarette smoke in our bedrooms.*

*Recently graffiti has shown up on our building and we often have drunk pub-goers throwing up outside our front door. It is a complete nuisance and I often do not feel safe walking past the pub on my way home at night owing to the drunk people on the street.*

**Please provide as much information as possible to support the application** (please read guidance note 3)

I have made several complaints to the local authorities about this pub over the years. Whilst I believe they have made some efforts to make the situation better it is just not acceptable to have a pub on the ground floor of a block of flats open until 2 am every day of the week.

In May 2022 I received the following email from the Southwark licensing team supervisor Andrew Heron

*“The Council is restricted on enforcement action, as there are no conditions on the premises licence that are being breached. All we can do is advise the management of complaints, but have no powers to impel them to act. The Police deal with antisocial behaviour in the street, so they do have powers to act here.*

*The likely only way forward for you would be to review the licence, as the Council have tried to intervene, but clearly have not made a difference.”*

In August 2022 we had a meeting with the pub and police after a community trigger was filed and there were some improvements.

However, the situation has gone back to how it was. With the summer months approaching it is only going to get worse.
