## **RECOMMENDATIONS**

1. That the corporate parenting committee agree the approach and work plan as set out in the report.
2. That the committee review and identify any further items for consideration in the work plan.

## **BACKGROUND INFORMATION**

### **Role and function of the corporate parenting committee**

3. The constitution for the municipal year 2024-2025 records the corporate parenting committee's role and functions as follows:
  - a. To secure real and sustained improvements in the life chances of looked after children, and to work within an annual programme to that end.
  - b. To develop, monitor and review a corporate parenting strategy and work plan.
  - c. To seek to ensure that the life chances of looked after children are maximised in terms of health, educational attainment, and access to training and employment, to aid the transition to a secure and productive adulthood.
  - d. To develop and co-ordinate a life chances strategy and work plan to improve the life chances of Southwark looked after children.
  - e. To recommend ways in which more integrated services can be developed across all council departments, schools and the voluntary sector to lead towards better outcomes for looked after children.
  - f. To ensure that mechanisms are in place to enable looked after children and young people to play an integral role in service

planning and design, and that their views are regularly sought and acted upon.

- g. To ensure performance monitoring systems are in place, and regularly review performance data to ensure sustained performance improvements in outcomes for looked after children.
- h. To receive an annual report on the adoption and fostering services to monitor their effectiveness in providing safe and secure care for looked after children.
- i. To report to the council's cabinet on an annual basis.
- j. To make recommendations to the relevant cabinet decision maker where responsibility for that particular function rests with the cabinet.
- k. To report to the scrutiny sub-committee with responsibility for children's services after each meeting.
- l. To appoint non-voting co-opted members.

#### **National and local context for care leavers**

- 4. There is national momentum towards improving outcomes for care leavers. The government introduced 'Keep on Caring' strategy in 2016, increased council statutory duties to care leavers in the Children and Social Work Act in 2017, appointed a national Adviser for Care Leavers who produced a report in 2018, alongside the national launch of the Care Covenant. The council has responded to the various recommendations, for example by prioritising education, employment and training outcomes for care leavers in the Council Plan and developing the care leaver local offer as well as increasing service capacity for the extended personal adviser duties to 25.
- 5. Although much has been done to improve services and outcomes for care leavers, the council has an ambition to go above and beyond, by creating the best Leaving Care Service possible, by co-designing this with young people, learning from other organisations and trialling new ideas to test what works best.
- 6. In 2017 the council and Catch22 received funding from the DfE Social Care Innovation Programme to work in partnership to design and test new ways of working to support care leavers. The Care Leavers Partnership (CLP) works to improve outcomes for young people in Southwark by working across boundaries, reshaping the service delivery model, unlocking capacity in the community, and co-designing solutions. There are a number of strands that the CLP is working on to achieve our goals.

#### **KEY ISSUES FOR CONSIDERATION**

- 7. The corporate parenting committee review and update the work plan each

meeting. Following the beginning of the municipal year 2019-20, and reflecting on the momentum towards improving outcomes for care leavers, the opportunity has been taken to review how the committee works and present proposals to refresh this in relation to: non-voting co-opted members; committee approach; and work plan and suggested agenda items.

## **SpeakerBox**

8. SpeakerBox, established in 2005, ensures that the views of looked after children and care leavers are used to influence decision making that affects their care and support particularly service planning and design. Representing children and young people between 8 and 24 years the group also provides a peer to peer networking support system for looked after children. The programme is operated independently and run by the young people themselves, although it is supported by the council's children services and councillors.
