

Meeting Name:	Planning Committee (Major Applications) A
Date:	31 July 2024
Report title:	Development Management
Ward(s) or groups affected:	All
Classification:	Open
Reason for lateness (if applicable):	Not applicable
From:	Proper Constitutional Officer

RECOMMENDATIONS

1. That the determination of planning applications, or formal observations and comments, the instigation of enforcement action and the receipt of the reports included in the attached items be considered.
2. That the decisions made on the planning applications be subject to the conditions and/or made for the reasons set out in the attached reports unless otherwise stated.
3. That where reasons for decisions or conditions are not included or not as included in the reports relating to an individual item, they be clearly specified.

BACKGROUND INFORMATION

4. The council's powers to consider planning business are detailed in Part 3F which describes the role and functions of the planning committees. The matters reserved to the planning committees exercising planning functions are described in part 3F of the Southwark Council constitution.

KEY ISSUES FOR CONSIDERATION

5. In respect of the attached planning committee items members are asked, where appropriate:
 - a. To determine those applications in respect of site(s) within the borough, subject where applicable, to the consent of the Secretary of State for Levelling Up, Housing and Communities and any directions made by the Mayor of London.

- b. To give observations on applications in respect of which the council is not the planning authority in planning matters but which relate to site(s) within the borough, or where the site(s) is outside the borough but may affect the amenity of residents within the borough.
 - c. To receive for information any reports on the previous determination of applications, current activities on site, or other information relating to specific planning applications requested by members.
6. Each of the following items are preceded by a map showing the location of the land/property to which the report relates. Following the report, there is a draft decision notice detailing the officer's recommendation indicating approval or refusal. Where a refusal is recommended the draft decision notice will detail the reasons for such refusal.
 7. Applicants have the right to appeal to Planning Inspector against a refusal of planning permission and against any condition imposed as part of permission. Costs are incurred in presenting the council's case at appeal which maybe substantial if the matter is dealt with at a public inquiry.
 8. The sanctioning of enforcement action can also involve costs such as process serving, court costs and of legal representation.
 9. Where either party is felt to have acted unreasonably in an appeal the inspector can make an award of costs against the offending party.
 10. All legal/counsel fees and costs as well as awards of costs against the council are borne by the budget of the relevant department.

Community impact statement

11. Community impact considerations are contained within each item.

SUPPLEMENTARY ADVICE FROM OTHER OFFICERS

Assistant Chief Executive, Governance and Assurance

12. A resolution to grant planning permission shall mean that the director of planning and growth is authorised to grant planning permission. The resolution does not itself constitute the permission and only the formal document authorised by the committee and issued under the signature of the director of planning and growth shall constitute a planning permission. Any additional conditions required by the committee will be recorded in the minutes and the final planning permission issued will reflect the requirements of the planning committee.

13. A resolution to grant planning permission subject to legal agreement shall mean that the director of planning and growth is authorised to issue a planning permission subject to the applicant and any other necessary party entering into a written agreement in a form of words prepared by the assistant chief executive – governance and assurance, and which is satisfactory to the director of planning and growth. Developers meet the council's legal costs of such agreements. Such an agreement shall be entered into under section 106 of the Town and Country Planning Act 1990 or under another appropriate enactment as shall be determined by the assistant chief executive – governance and assurance. The planning permission will not be issued unless such an agreement is completed.
14. Section 70 of the Town and Country Planning Act 1990 as amended requires the council to have regard to the provisions of the development plan, so far as material to the application, and to any other material considerations when dealing with applications for planning permission.
15. Section 38(6) of the Planning and Compulsory Purchase Act 2004 provides that where, in making any determination under the planning Acts, regard is to be had to the development plan, the determination shall be made in accordance with the plan unless material considerations indicate otherwise. The development plan is currently the Southwark Plan which was adopted by the council in February 2022. The Southwark Plan 2022 was adopted after the London Plan in 2021. For the purpose of decision-making, the policies of the London Plan 2021 should not be considered out of date simply because they were adopted before the Southwark Plan 2022. London Plan policies should be given weight according to the degree of consistency with the Southwark Plan 2022.
16. The National Planning Policy Framework (NPPF), as amended in July 2021, is a relevant material consideration and should be taken into account in any decision-making.
17. Section 143 of the Localism Act 2011 provides that local finance considerations (such as government grants and other financial assistance such as New Homes Bonus) and monies received through CIL (including the Mayoral CIL) are a material consideration to be taken into account in the determination of planning applications in England. However, the weight to be attached to such matters remains a matter for the decision-maker.
18. "Regulation 122 of the Community Infrastructure Levy regulations (CIL) 2010 as amended, provides that "a planning obligation may only constitute a reason for granting planning permission if the obligation is:
 - a. necessary to make the development acceptable in planning terms;
 - b. directly related to the development; and
 - c. fairly and reasonably related to the scale and kind to the development.

A planning obligation may only constitute a reason for granting planning permission if it complies with the above statutory tests."

19. The obligation must also be such as a reasonable planning authority, duly appreciating its statutory duties can properly impose i.e. it must not be so unreasonable that no reasonable authority could have imposed it. Before resolving to grant planning permission subject to a legal agreement members should therefore satisfy themselves that the subject matter of the proposed agreement will meet these tests.
