Trading Standards as a responsible authority are in receipt of a new premises license application from The Kernel Taproom Ltd.in respect of premises 132 Spa Road, London, SE16 3AE. Trading Standards as a responsible authority are making representation in respect of this application under all the licensing objectives, but primarily the protection of children from harm.

In the general description this is:-

“The premises will function as a brewery bar and bottle shop which serves food. It is a ground floor venue with customer seating making over 50% of the customer space. There will be a small takeaway counter for off-sales.”

**The opening hours are to be:-**

Monday to Sunday 09:00 to 23:00

**The hours for alcohol sales are to be (on/off sales)**

Monday to Sunday 09:00 to 23:00

Under the licensing objectives the application does mention challenge 25, training records and refusals log, which is good, as a way of tidying up the conditions Trading Standards therefore simply asks that the following conditions be agreed.

4AA - The premises shall operate an age check 'Challenge 25' policy whereby customers purchasing alcohol who look or appear to be under 25 years of age will be asked for an approved form of proof of age to verify their age. Approved forms shall include a driving licence, passport or a PASS approved proof of age card such as the Southwark Proof of Age (SPA) card.

4AB - All staff involved in the sale of alcohol shall be trained in the age check 'Challenge 25' policy. A record of their training, including the dates that each member of staff is trained, shall be available for inspection at the premises on request by the Council's authorised officers or the Police.

4AC - Age check or 'Challenge 25' signage shall be displayed at entrances to the premises, areas where alcohol is displayed for sale and at points of sale to inform customers that an age check 'Challenge 25' policy applies and proof of age may be required.

4AI - A register of refused sales of alcohol shall be maintained in order to demonstrate effective operation of the policy. The register shall be available for inspection at the premises on request by Council authorised officers or the Police.

I attach electronic documents of training materials and a refusals register which can be used to meet the above conditions in terms of staff training and use of a refusal register. This effectively saves the business the cost of paying a consultant to undertake such activities. There is no reason why a person in the business who holds a personal license cannot undertake such training for staff and this can form part of a defence for the business should a member of staff supply alcohol to a minor.

If you are happy to accept these conditions then trading standards, as a responsible authority, will be happy to lift the representations made in respect of the application.

Hard copies of the above documents can be provided on request.

Hi Ian.

Regarding the Police representation.

Please see the list of conciliated conditions below (agreed with licensing). They have also agreed to cut the alcohol hours back to 22:30 each day.

Also Trading standards have conciliated as the applicant has accepted the following conditions

4AA - The premises shall operate an age check 'Challenge 25' policy whereby customers purchasing alcohol who look or appear to be under 25 years of age will be asked for an approved form of proof of age to verify their age. Approved forms shall include a driving licence, passport or a PASS approved proof of age card such as the Southwark Proof of Age (SPA) card.

4AB - All staff involved in the sale of alcohol shall be trained in the age check 'Challenge 25' policy. A record of their training, including the dates that each member of staff is trained, shall be available for inspection at the premises on request by the Council's authorised officers or the Police.

4AC - Age check or 'Challenge 25' signage shall be displayed at entrances to the premises, areas where alcohol is displayed for sale and at points of sale to inform customers that an age check 'Challenge 25' policy applies and proof of age may be required.

4AI - A register of refused sales of alcohol shall be maintained in order to demonstrate effective operation of the policy. The register shall be available for inspection at the premises on request by Council authorised officers or the Police.

I wondered whether what has been conciliated would also address the concerns within the Police representation.

Please let me know

Kind regards

Jayne
