GW1 Housing – Procurement Support and Supply Chain Management System

Decision for a direct award to Plentific – end to end platform for award, allocation and management of contracted works by Southwark Repairs.

What is the potential cost to the council if the decision is delayed?

The financial cost if this decision is delayed has the potential to be very high. Currently the majority of the contractors being used to undertake works do not have an in date contract with the authority. This presents a compliance risk. The Council also needs to ensure that we are awarding contracts based on value for money, the Plentific platform allows contracts to be awarded on an order by order basis

How long has the department known the decision required a closed report?

Week commencing 12 August 2024
