

Non-strategic Traffic and Highway improvement

Appendix	4
Location	Underhill Road
Proposal	Extend existing double yellow lines
Ward(s) affected	Dulwich Hill

Non-strategic Traffic and Highway improvement

A non-strategic traffic and highway improvement is a small project where the council proposes to modify the existing Highway layout. This may include changes to waiting and loading restrictions, traffic calming, improved crossing facilities etc.

Under Part 3D of the council's constitution, the Cabinet Member is responsible for Transport Issues: To decide to implement a traffic and highway improvement project, subject to statutory consultation.

Background / Request

This request came from a resident, informing Highways of the parked vehicles that still over hang their drive causing extremely poor visibility when exiting and entering their driveway. They would like to extend it slightly to allow for a clear view.

Location

- Underhill Road, Dulwich Hill
- Underhill Road is not in a CPZ, allowing free parking for all
- There are currently double yellow lines over the drop kerb.

Investigation and conclusions

- Officers attended site and saw larger vehicles overhanging causing poor visibility.

Recommendation

It is recommended that the existing double yellow lines are to be extended slightly.

This proposal is subject to Traffic Management Order (TMO) statutory consultation. A TMO is the legal mechanism the council as traffic authority uses to control aspects of the way that the highway is used. They provide the legal backing to signs and road markings used on the highway and allow them to be enforceable.

A detailed design drawing of the proposal is provided within this document.

Next steps

Should this non-strategic Traffic and Highway improvement proposal be approved, then arrangement will be made to carryout statutory consultation.

Following the statutory consultation period, the council will make arrangements to install the restrictions (road marking and signage).

Should objections be received during the statutory consultation period, these will be presented to the Cabinet Member for determination.
