

Non-strategic Traffic and Highway improvement

Appendix	12
Location	The Gardens
Proposal	Install 1 cycle toaster rack in the carriageway
Ward(s) affected	Goose Green

Non-strategic Traffic and Highway improvement

A non-strategic traffic and highway improvement is a small project where the council proposes to modify the existing Highway layout. This may include changes to waiting and loading restrictions, traffic calming, improved crossing facilities etc.

Under Part 3D of the council's constitution, the Cabinet Member is responsible for Transport Issues: To decide to implement a traffic and highway improvement project, subject to statutory consultation.

Background / Request

This request came from the surgery, informing Highways, if they can have more cycle stands for the people visiting the surgery.

Location

- The Gardens, Goose Green
- The Gardens, is not in a CPZ, allowing free parking for all.
- There are currently no restrictions in place

Investigation and conclusions

- Officers attended site and noted that there was no sufficient space on the footway for any more cycle stands. Resulting into cycle stands on the carriageway.

Recommendation

It is recommended that the proposed cycle toaster rack is to be installed on the carriageway outside the surgery.

This proposal is subject to Traffic Management Order (TMO) statutory consultation. A TMO is the legal mechanism the council as traffic authority uses to control aspects of the way that the highway is used. They provide the legal backing to signs and road markings used on the highway and allow them to be enforceable.

A detailed design drawing of the proposal is provided within this document.

Next steps

Should this non-strategic Traffic and Highway improvement proposal be approved, then arrangement will be made to carryout statutory consultation.

Following the statutory consultation period, the council will make arrangements to install the restrictions (road marking and signage).

Should objections be received during the statutory consultation period, these will be presented to the Cabinet Member for determination.
